

# Horse Identification Certificate

This identification must be submitted or updated to the county or district agent by May 1 of the current year to qualify this animal for district and state shows. *The original ID form and picture must be kept by the 4-H'ers and be presented at the District Show and be available at State Fair check-in. A copy can be kept in the county office. No forms will be sent to the State 4-H Office.* Most shows (including district and state) require this ID to be presented at check-in. Horses identified after May 1 or horses without proper ID certificates cannot show. Siblings may share a project horse. *Please attach a standard-size picture on the back right-hand corner.*

**Leasing Option:** A 4-H youth may lease a horse for a 4-H project, but cannot also identify a family-owned horse. The leasing option is intended for any youth who is unable to participate fully in the 4-H horse project because the member does not have access to a family-owned horse. All leased horses must be managed by the 4-H project member at least 75 percent of the time from May 1 through September 30.

**Exception:** A 4-H member who qualifies for the 2-year-old snaffle bit project may identify a leased horse for use in this project. If the leased horse is a snaffle bit horse, the member may also identify a family-owned horse to serve as an "open" project horse, but may not identify a family-owned horse for the 2-year-old snaffle bit project. Once a leased horse has been identified as a 2-year-old snaffle bit project, the horse is not eligible at the district show.
