Virtual Fair

This year’s 4-H County Fair will be held virtually for all static events (non-livestock). To ensure safety and to also provide the consultative judging experience, we will be using an application called Flipgrid. Keep an eye out for an announcement and instructions on how to use it!

Pre-entries are now required for EVERY exhibit. They are due July 1st. An updated pre-entry form will be sent out. Once pre-entries are turned in, you will receive a code to enter into the Flipgrid and you can begin creating your project presentation starting July 7th up to July 16th.

4-H’ers are also welcome to bring their exhibits to the office if they are unable to bring their exhibits down to the county fair and we will deliver them. You must have attached to your project, your name, description of the project, and the open class number you will be entering it in.

4-H Virtual Camp

Due to restrictions on mass gatherings, summer camps at the Rock Springs Ranch won’t be held in person this year. Instead, officials with Kansas 4-H Youth Development will push out activities that all youth are welcome to join online.

Friends of 4-H Nominations

We are looking for nominations for the Friends of 4-H Award. Please let your club leader know who you would like to nominate. Each club is allowed one nomination. “Friends of 4-H” Award will be presented to a maximum of three individuals (or businesses) per year at the discretion of the Friends of 4-H Committee. Leaders (community & project) of the 4-H program are not eligible for this award if they have children currently enrolled in 4-H.

Rabbit, Hand Pet, and Poultry Show

Due to low numbers of participants and the cancellation of the Wheat Festival, the location and time will be announced at a later date. Please let us know if you are wanting to participate.
