4-H Enrollment opens October 1st and ends November 20th. CURRENT 4-H MEMBERS MUST ENROLL DURING THIS TIME IN ORDER TO PARTICIPATE IN ANY 4-H ACTIVITIES THROUGHOUT THE YEAR. Those who have never been enrolled in 4-H may enroll during any time of the year. Do not wait until the last minute to enroll, late enrollments will not be accepted by the office unless the 4-H PDC approves.

Thank You Notes

Please take the time to write a thank you note to donors or buyers of your livestock, trophies, plaques, club cookie jar, project leader, and even your 4-H club leaders. Contact the office if you need the name and address of a sponsor.

“Thank you,” goes a long way in acknowledging the extra effort they put into making your 4-H learning experiences special.

Quartermania Fundraiser

We are looking for a committee to help plan our Quartermania Fundraiser this coming spring. This fundraiser will go towards educational materials for all of our 4-Her’s. The committee will help plan the event, gather resources and supplies, and help run the concession stand and games the night of.

Participation from every club is expected for each committee that involves fundraising this year.

Financial Review

Why does the club need to turn in the Financial Review each year? The Extension Executive Board is accountable for funds raised and/or collected by 4-H Clubs and 4-H Council. It is important to do this before a new 4-H year starts. Each review committee needs to check that the accounting records and financial statements are accurate and complete. Financials are due Oct 30th.
