FAIR PRE-ENTRY FORM INFORMATION & DATES

Pre-Entry Forms may be found on our website www.sumner.ksu.edu that can be printed, filled out, and emailed to sucoext@gmail.com or you may come to the Extension office for a hard copy for the following.

Contact the Sumner County Extension office for Horse Show rules and policies as well as Rabbit, Poultry & Hand Pet Show rules and policies.

4-H FAIR GENERAL RULES

1. **Pre-Entries:** Pre-entries are required for all exhibits. Pre-entries made after the designated due date are eligible for ribbons (see late entry policy below).
2. **Late Pre-Entries:** Late pre-entries turned in after specified deadline (sent out with pre-entry forms) will be accepted for up to 5 business days. The 4-Her will be ineligible to compete for Grand or Reserve champion. They will automatically forfeit one ribbon placing and fair premium money for that entry as penalty. Late pre-entries for livestock will follow the same policy as well.
3. **4-H Entries:** All entries must be made on official entry cards, available from the Extension Office, or at the 4-H Fair. Entry cards must be filled out for each exhibit before approaching the judging table. If entry cards are either not filled out, or filled out with completely incorrect information then the project will automatically drop a ribbon placing (*if a judge reclassifies a project, it is the 4-Her's job to correct their entry card or create a new one. If a 4-Her fails to do so, then the rule will be applicable.*)
4. **4-H Requirements:** Exhibitors must be bona fide Sumner County 4-H Members. Members can exhibit only from those projects in which they are enrolled to be eligible for grand or reserve. If a 4-Her would like to exhibit in a project area they are not enrolled in, they are still required to pre-enter and will not be eligible for grand or reserve. All exhibits must be the result of the current year's project work and produced by the exhibitor.
5. **Age Categories:** 4-H age categories shall be as follows based on age as of January 1st of the current 4-H year. Junior (7-9), Intermediate (10-13), and Senior (14 & above).
6. **Judging:** All exhibitors must participate in consultative judging at the time of exhibit entry. This is meant as a learning opportunity for exhibitors. Exceptions may be made in extreme circumstances. Examples may include, but are not limited to severe illness, hospitalization or death in the family. Please contact the extension office **by Noon on July 1st** to be considered for an exemption.
7. **Removal of Exhibits:** All exhibits will be released at the scheduled time on the last day of the fair unless division rules state otherwise. 2026 Exhibits will be released Saturday, July 11th, between 4 – 5:00 pm. If projects are not picked up by 5:00pm, they will be available in the Extension Office during the week.
8. **Awards:** (a) Group system of awards will be followed in all divisions. Purple, Blue, Red or White ribbons will be awarded. No purple ribbons are awarded in livestock. Special Awards are listed within each department. Superintendents may rule exhibits unacceptable judges will determine if grand and reserve champion awards will be given. (b) Ribbons, but not premiums, should be awarded in events where the member's ability rather than his project is being judged. Such events include demonstrations, Fashion Revue, fitting and showing, judging, performance classes for horses, etc. This policy is in line with an agreement between the State 4-H Office and

the Kansas High School Activities Association and has a direct bearing on a student's amateur standing.

9. **Premiums:** Premiums will be awarded after the 4-H Fair, if money is available. Errors should be reported immediately to your club leader or 4-H Agent for correction.
10. **Kansas State Fair** entries may be made according to limits & classes listed in the KS State Fair 4-H Book, www.kansasstatefair.com.
11. The superintendents will supervise the receipt of all articles or animals in their departments and assign them to their proper places. Superintendents may create new classes when necessary. **Superintendent's decisions are final and override any printed material.**
12. Livestock General Rules on page 41

DIVISION 1
SEWING AND TEXTILE DESIGN
Pre-entries Required

This project will teach you the basics, such as sewing a pillowcase or shirt, learning different stitches or putting in a zipper. Learn to create and sew your own clothing and accessories while exploring the world of fashion and how to take the design of your choice and customize it for the perfect look, color and fit.

CONSTRUCTION

1. All garments made by 4-H member will be judged at the Raymond Frye Complex on Tuesday, July 9, 2026, from 5 – 7:30 pm, along with all other static exhibits.
2. Exhibitors may enter all items made in the Clothing & Textiles project for the age level of the exhibitor.
3. Pre-cut kits are acceptable. Care labels are not required; however, the judge may ask the care of the garment.
4. An outfit is two or more pieces that can be worn together. Do not exhibit purchased items.
5. All garments should be on hangers, cleaned and pressed.
6. Recycled Clothing Project-An item made of at least 50% recycled material (recycled means reusing an existing item in a new way). Could be remaking/redesigning a garment, re-purposing a clothing item for a new use, etc. Must include sewing of some kind. An index card (no larger than 4" x 6") must accompany entry describing the recycled materials and how they were used in the item.
7. The exhibitor is required to attach a photo and/or an index card, no larger than 4" x 6" with the entry form to give the judge any information which the exhibitor thinks would be helpful for the judge to know.
8. **Exhibitors are required to participate in consultative judging in person. For more information see "General Rules" rule #6.**

***Class 10** An article, garment or outfit constructed by 7-8 year old exhibitor

***Class 11** Educational exhibit prepared by a 7-8 year old exhibitor

Class 4000 An article, garment or outfit constructed by 9-11 year old exhibitor

Class 4001 Educational exhibit prepared by a 9-11 year old exhibitor

Class 4002 An article, garment or outfit constructed by 12-14 year old exhibitor

Class 4003 Educational exhibit prepared by a 12-14 year old exhibitor

Class 4004 An article, garment or outfit constructed by 15-18 year old exhibitor

Class 4005 Educational exhibit prepared by a 15-18 year old exhibitor

Class 4006 Recycled clothing project

***No State Fair Classes**

DIVISION 2
SHOPPING IN STYLE
Pre-entries Required

4-H members will learn what clothing styles look best on them while they also gain skills in building a versatile wardrobe and staying within their budget. Each year enrolled in Shopping in Style should build on previous year's learning experience. Exhibit one of the following options that align with the 4-H member's Shopping in Style knowledge level. Display judging and setup by the 4-H member will be on Tuesday of the 4-H Fair.

Rules

1. As part of the project all participants are required to create a poster entry. Poster judging is not required to be consultative due to time constraints, but 4-Her's are welcome to stay and interact with the judge as they view their posters. Poster judging will take place in the last hour of consultative judging.
2. Posters can be flat poster board, foam board, or tri-fold
3. Photos of 4-H member in purchased outfit must demonstrate criteria as outlined on scoresheet. Consider multiple angles, good light and highlight details so that the judge may accurately evaluate the exhibit.
4. Exhibits should include actual photos of 4-H member in garments, and may also include pictures from magazines or the internet.
5. If a 4-Her participates in the Fashion Revue, they may remove items from their display to be used. ***After the Fashion Revue please return items to your display for public viewing.***
6. Exhibitor must be 9 years old or older by 4-H age to take qualifying exhibit to State Fair.

Class 4020 Shopping in Style: Junior (age 7-9) Exhibit should consist of poster that showcases:

- A) a garment you purchased that reflects your personal style and explains how this garment reflects your style and how it influences what others think of you; **OR**
- B) a garment you purchased and explains how your personal style either aligns or contradicts what is considered to be "in style" today. **OR**
- C) a garment you purchased and explains or illustrates how this garment is a modern version of a fad or fashion from an earlier decade; **OR**
- D) a garment you purchased and explains how this garment reflects a different ethnic or cultural influence; **OR**
- E) a garment you purchased and includes a color discussion that provides an overview of how different colors complement different hair colors and skin tones and how that influenced garment selection.

Class 4021 Shopping in Style: Intermediate (age 10-13) Exhibit should consist of a display that showcases:

- A) an outfit you purchased to wear with a clothing item that was already in your wardrobe that still fit but you didn't wear anymore. Explains why the clothing item was not being worn and what you did to transform it into a wearable garment again. **OR**
- B) a top and bottom that you purchased, as well as at least three pieces of clothing in your existing wardrobe that you can mix and match with the new items to create multiple outfits. Includes a clothing inventory and explain what you have learned by completing this activity. **OR**
- C) an outfit you purchased and explain why you selected the garment you did, your shopping budget, and cost per wear; **OR**

D) an outfit you purchased and explain how advertising influences clothing purchases making a distinction between wants and needs. Include your shopping budget and cost per wear. **OR**

E) an outfit you purchased along with a cost comparison between garments/accessories purchased vs. sewing/constructing the outfit. Comparison should include variety of shopping options and/or price tracking at stores over a period of time.

Class 4022 Shopping in Style: Senior (age 14-18) Exhibit should consist of a display that showcases:

A) an outfit you purchased and care requirements not only for this garment but also for garments made of other natural and synthetic fibers. Display should also include a care cost analysis for garments of different fibers; **OR**

B) an outfit you purchased which you have repaired or altered. Include a clothing inventory list which includes cost savings for repaired items as compared to purchasing replacement garments; **OR**

C) an outfit you purchased along with plans and commentary for a fashion show that that would capture the attention of an audience. Plans should identify target audience, venue, theme, budget, and logistical plan for the fashion show; **OR**

D) an outfit you purchased and explain 3 methods of clothing repair that you have learned, i.e. torn seam, torn hem, replacing a button, etc. Display should also include photos and list of your assembled clothing first aid kit. Include itemized expenses; **OR**

E) An outfit you purchased, and feature any other completed activity from the Shopping in Style curriculum of your choosing that isn't listed above.

***No State Fair Classes**

DIVISION 3

FASHION REVUE

Pre-entries Required

The public is invited to the modeling of the latest fashions selected and made by 4-H members.

The public Fashion Revue details are to be determined.

4-Her's who did not participate in judging on Tuesday can model or show off any project involved in Fiber Arts, Sewing and Textile Design, or Shopping in Style at this time, but will not receive a ribbon placing.

* 4-H members may model one or two Shopping in Style garments or outfits of their choosing.

* 4-H members may model one or two Sewing and Textile Design garments or outfits that they have made during this 4-H year.

* In total 4-H members can model 4 outfits comprising of up to 2 articles per category.

**All scripts and photos must be turned in by 5:00pm on June 22nd.*

**Pre-entries are required by June 15 (If the 15th falls on a weekend, then paperwork will be due the Friday before by 5:00pm) and forms are available online at www.sumner.ksu.edu*

Shopping in Style

***Class 90** 4-H member in the 1st – 3rd year in the Shopping in Style project

***Class 91** 4-H member in the 4th – 6th year in the Shopping in Style project

***Class 92** 4-H member in the 7th – 11th year in the Shopping in Style project

Sewing and Textile Design

***Class 93** 4-H member in the 1st – 3rd year in the Sewing and Textile Design project

- *Class 94 4-H member in the 4th – 6th year in the Sewing and Textile Design project
- *Class 95 4-H member in the 7th – 11th year in the Sewing and Textile Design project

State Fair Eligibility: You must be 10 years old by 4-H age and be declared a “winner” to qualify for the State Fair Fashion Revue. The State Fair Fashion Revue has 4 classes available:

Class 6000 For 4-H members, age 14-18, enrolled in the Sewing and Textile Design project.

Class 6005 For 4-H members, age 10-13, enrolled in the Sewing and Textile Design project.

Class 6010 For 4-H members, age 14-18, enrolled in the Shopping in Style project.

Class 6020 For 4-H members, age 10-13, enrolled in the Shopping in Style project.

Script Rules & Suggestions

1. Scripts and Photos are due to the Extension Office by 5:00pm on June 22nd.
2. Must have a picture of the clothing being worn to help judges remember what they are judging. Clothing does not have to be 100% complete, but enough to give the judge a general understanding of the outfit. Please include as many of the accessories you plan to model in as possible. No penalty will be assessed for changing some of the accessories that will be worn with the outfit.
3. Must have a script as outlined below submitted with photo of outfit.
4. Please submit one script and set of photos per outfit for both the Sewing and Textile Design and Shopping in Style Categories. Each outfit entered into the Fashion Revue must have a Script and Photos.
5. Failure to turn in Scripts and Photos on time will result in the 4-Her not being judged for the Fashion Revue. The 4-Her will still be allowed to model, but will receive no ribbon placing for their entry(entries).
6. If items for an outfit are purchased online and face shipping delays, please notify the Office immediately. Deadline exceptions may be made but are subject to Extension Staff and Superintendent’s discretion.

Scripts must be typed on an 8 ½ x 11 sheet of paper to help the readers.

Example Script: [4-H members first and last name] is looking forward to the first day of school in this (describe the outfit). (4-Hers first name) really enjoys the clothing project. This year she/he has learned...give at least 3 things they have learned or done in the clothing project this year. (4-Hers first name) is a member of the (name of their 4-H club).]

Sample Script: Randy Hein enjoyed 4-H camp last June in this sporty tan shorts and K-State purple short sleeve shirt outfit. Randy really enjoys the clothing project and has learned that you can get some really good buys when the sales are in full swing. He practiced sewing on a button this year and learned to read the care labels on clothes before doing the laundry. Randy is a third-year member of the Happy Go Lucky 4-H club.

Additional Script Suggestions: for other outfits 4-Hers are modeling--

*Scripts can be written with the name of their 4-H club at the beginning to add variety.

*For a second outfit tell the audience about the 4-H members 3 favorite things to do in 4-H.

*For a third outfit tell the audience about 3 achievements or accomplishments in 4-H. (like this is the first year they made a yeast bread, or they helped a younger 4-H member build their rocket).

DIVISION 4
FOODS & NUTRITION
Pre-entries Required

FOODS & NUTRITION

1. Recipes are required for all food product exhibits. No alcohol should be included as an ingredient in food entries. Entries with alcohol in the recipe will be disqualified and not be judged.
2. 4-H'er may make four different entries in the age level for the current 4-H year. Remove baked products from baking pans and place on heavy paper plates or on foil covered cardboard that fits the size of the product. Place in a clear plastic bag -large cakes will fit in turkey bags. Plastic wrap and light paper plates are not acceptable. All baked goods must be left whole and uncut. Small items, such as cookies and rolls, should be the same shape and from the same recipe. Exhibit 6 cookies, 6 muffins, 6 bread sticks, 1 loaf bread, 1 pie, 1 cake, etc.
3. **Label the bag: for sale, not for sale, contains nuts, gluten free, or sugar free. Labels are in the extension office.**
4. All unfrosted cakes shall be exhibited in upright position with top crust showing (angel food, sponge, and chiffon cakes).
5. Non-Perishable foods meet food safety guidelines. Food safety purposes, any food with custard and cream cheese type fillings and frostings, flavored oils, "canned" bread or cakes in a jar, or food requiring refrigeration will not be judged. Refer to K-State Research and Extension publication, 4-H 712, Food Safety Recommendations for Acceptable Fair Exhibits, for information to help you make informed, safe food exhibit decisions. Publication link:
http://www.ksre.ksu.edu/library/4h_y2/4H712.pdf
6. Cakes may be made from your favorite recipe or commercial mix.
7. Food Gift Package - Food items will be tasted by judge. These food items should not be entered separately as other food exhibits. Maximum size of 18" including container. Must contain 3 different food items prepared by the 4-Her. On a 3: x 5: card, describe in 50 words or less, the purpose of the gift package. *No Alcoholic Beverages allowed.*
8. Educational Exhibits cannot exceed standard 3' x 4' trifold display board.
9. Modified food product must be modified from original recipe to nutritionally enhance the food product. Attach one- 8 ½ x 11 inch page (front and back) that include Original Recipe, Modified Recipe, and Narrative to describe modifications were made and lessons learned such as nutritive value, or changes in appearance, doneness, aroma, flavor, tenderness and/or texture. Example: a standard blueberry muffin recipe that is modified to make it gluten free. Suggested resources: Altering Recipes for Better Health Purdue University:
<http://www.extension.purdue.edu/extmedia/cfs/cfs-157w.pdf> Altering Recipes for Good Health Texas A&M University: http://fcs.tamu.edu/food_and_nutrition/pdf/altering-recipes.pdf
10. Decorated Cookie Jar- 4-H Clubs and any organized 4-H groups only. 1-gallon decorated cookie jar, include 5 varieties of cookies with a sample of each on a plate for judging. The cookie jar dimensions may be no larger than 15" high x 15" wide. A minimum of one (1) half dozen of each cookie variety is required to be with the jar. It is suggested to supply one (1) dozen of each cookie variety. Judging is based on: meeting the requirements listed, Overall Decoration, and Cookies. **Cookie Jars must be entered by 5:45 p.m. and will be judged no later than 6:00 p.m. Cookie jars need to have a list of each cookie in the jar for potential allergens that they may contain.**
11. All judged food items marked for sale will be offered for sale at the 4-H food stand immediately following 4-H and/or Open Class judging.
12. Exhibitors receiving purple ribbons must meet State Fair guidelines to enter in the State Fair.

13. Exhibitors are required to participate in consultative judging in person. For more information see "General Rules" rule #6.

- *Class 12 Non-perishable food product made by 7-8 year old exhibitor
- *Class 13 Educational exhibit prepared by 7-8 year old exhibitor
- Class 4300 Non-perishable food product made by 9-11 year old exhibitor
- Class 4301 Educational exhibit prepared by 9-11 year old exhibitor
- Class 4302 Non-perishable food product made by 12-14 year old exhibitor
- Class 4303 Educational exhibit prepared by 12-14 year old exhibitor
- Class 4304 Non-perishable food product made by 15-18 year old exhibitor
- Class 4305 Educational exhibit prepared by 15-18 year old exhibitor
- Class 4306 Food gift package
- *Class 14 Decorated cake
- *Class 15 Decorated cookie
- *Class 16 Decorated 4-H Club Cookie Jar

***No State Fair Classes**

DIVISION 5
FOODS PRESERVATION
Pre-entries Required

Open to all 4-H members enrolled in Foods project

1. Exhibits must have been preserved since the member's previous year's county fair, and not been exhibited at the previous State Fair. Example: For fair date August 15, 2015 items canned following that date can be exhibited at this year's State Fair.
2. Recommended recipes and processing methods must be used. Recipes must be from 1995-present. Processing methods that will be disqualified include: open kettle canning, oven canning, and sun canning. Untested recipes will be disqualified for food safety reasons. Recommended recipe resources include:
 - K-State Research and Extension Food Preservation publications
 - USDA Complete Guide to Home Canning
 - So Easy to Preserve, 6th edition. The University of George Cooperative Extension Service
 - Ball Blue Book Guide to Preserving
 - Ball Complete Book of Home Preserving
 - All New Ball Book of Canning and Preserving
 - Canning mixes (i.e. Mrs. Wage's, Ball)
 - Pectin manufacturers (i.e. SureJell, Ball)
 - <http://www.rrc.k-state.edu/preservation/recipes.html>Refer to following K-State Research and Extension publications for more information:
 - 4H712, Food Safety Recommendations for Food Preservation Exhibits (<http://www.ksre.ksu.edu/bookstore/pubs/4H712.pdf>)
 - MF3170 "10 Tips for Safe Home-Canned Food" (<http://www.ksre.ksu.edu/bookstore/pubs/MF3170.pdf>)
 - MF3171 "Sassy Safe Salsa at Home" (<http://www.ksre.ksu.edu/bookstore/pubs/MF3171.pdf>)
 - MF3172 "What's Your Elevation?" (<http://www.ksre.ksu.edu/bookstore/pubs/MF3172.pdf>)
 - MF3241 "How to Guide to Water Bath Canning and Steam Canning"

<http://www.bookstore.ksre.ksu.edu/pubs/MF3241.pdf>

MF3242 "How to Guide to Pressure Canning

<http://www.bookstore.ksre.ksu.edu/pubs/MF3242.pdf>

3. Alcohol is not allowed as an ingredient in food preservation entries. Entries with alcohol in the recipe will be disqualified and not be judged.
4. Each member may enter up to two exhibits in this division, but only one entry per class.
5. Each exhibit must have the complete recipe and instructions attached with the entry card, or it will be lowered one ribbon placing. Recipe must include exhibitor name, recipe source, date of publication, and altitude of residence.
6. Exhibits must be sealed in clean, clear standard canning jars with matching brand (ex: use Ball lids on Ball jars, or Kerr lids on Kerr jars, etc.) two-piece lids. Do not use colored jars. Do not add fancy padded lids, fabric over wraps or cozies as they interfere with the judging process. No fancy packs unless recipe states to do so ex: (pickled asparagus). Jars must be sealed when entered. For food safety reasons, the size of the jars available must not be larger than the jar size stated in the recipe. Note: There are 12-ounce and 24-ounce canning jars available and may be used. Use pint jar process recommendations for 12-ounce jars. Use quart jar process recommendations for 24-ounce jars.
7. Each jar exhibited must be labeled. The label must not cover brand name of jar. The label must give: Class No. Product, Altitude of Residence, Canning Method (water bath, weighted gauge or dial gauge pressure method), Process Time, Pressure (psi), date processed including month and year, Name, and County/District. Templates to make adhesive labels can be found at: http://www.kansas4-h.org/events-activities/fairs/kansas-state-fair/docs/foods-and-nutrition/Foods_Label.pdf
8. Classes 130 – 136 will require a label on jar for each class.
9. Hole punch the entry card and use a rubber band to attach the entry card and recipe around the top of the jar.
10. If dried food product is not in a canning jar, it will be lowered one ribbon rating. Suggested amount: 1/3 -1/2 cup, or three or four pieces per exhibit. Dried products must include the recipe, preparation steps and heating instructions.
11. All meat jerky must be cooked to an internal temperature of 160 degrees F before or after drying. This is not drying temperature! Jerky not heated to an internal temperature of 160 degrees F will be disqualified and not be judged. Heating information can be found in "Dry meat Safely at Home" www.ksre.ksu.edu/bookstore/pubs/MF3173.pdf
- 13. Exhibitors are required to participate in consultative judging in person. For more information see "General Rules" rule #6.**

Class 4350 Sweet Spreads (Fruit and /or Vegetables), Syrups; One jar

Class 4351 Fruits, Juices, Fruit mixtures (Salsa, Pie Filling, etc.) One jar

Class 4352 Low Acid Vegetables (green beans, corn, etc. or vegetable mixtures.); one jar

Class 4353 Pickles (Fruit or Vegetable) Fermented Foods and Relishes and Chutney; One jar

Class 4354 Tomato/Tomato Products Tomato Juice and Tomato Salsas; One jar

Class 4355 Meats; One jar

Class 4356 Any Dried Food: One Small Jar.

***No State Fair Classes**

**DIVISION 6
FIBER ARTS**

Pre-Entries Required

1. Exhibitor may make four entries per class.
2. **When articles, which are worn normally as a pair, are exhibited, both articles must be shown together – fastened together securely with yarn.**
3. The exhibitor may also attach a 3” x 5” index card with the entry form to give the judge any information which the exhibitor thinks would be helpful for the judge to know.
4. If a pattern is used, attach it to the article by thread or yarn.
5. Non-textile projects such as wood reed, straw, grass, etc. should be entered in the Visual Arts Department.
6. **Exhibitors are required to participate in consultative judging in person. For more information see “General Rules” rule #6.**

Class 4111 Crochet, an article

Class 4112 Knitting, an article made either by hand or by knitting machine

Class 4113 Needle Arts, an article created by hand using any of the following techniques; a) embroidery and cross-stitch; b) needlepoint; c) candlewicking; d) crewel; e) lacework; and/or f) applique

Class 4114 Patchwork and Quilting, an article

Class 4115 Rug Making, a rug

Class 4116 Spinning, a skein

Class 4117 Weaving, a woven article

Class 4118 Ethnic Arts, an article

Class 4119 Macramé, an article

Class 4120 Fiber Arts Educational Notebook

***Class 17** Felting

***Class 18** Other Fiber Art not already listed

***No State Fair Classes**

DIVISION 7

**NOTEBOOKS, FORESTRY, WILDLIFE, SHOOTING SPORTS,
MISCELLANEOUS**

Exhibitors are required to participate in consultative judging in person. For more information see “General Rules” rule #4.

NOTEBOOK

***Class 19** Reporter Notebook

***Class 22** Scrapbook

***Class 20** Secretary Notebook

***Class 23** Project Poster, limit 2 per 4-Her

***Class 21** Project Notebook, limit 3 per 4-Her

FORESTRY & WILDLIFE

If you would like to enter Forestry or Wildlife, please contact Sumner County Extension.

SHOOTING SPORTS

EXHIBITORS MUST COMPLY WITH STATE AND FEDERAL LAWS AND KANSAS STATE FAIR MANAGEMENT POLICIES. No “live” ammunition containing propellant or explosive powders

may be used in any display! Artistic substitutes must be used in lieu of powder and “live” ammunition.

Class 6200 Educational Display. Must be directly related to the 4-H Shooting Sport project. Not exceed tri-fold 3’ wide x 4’ tall.

Class 6201 Promotional Poster. Must promote 4-H Shooting Sports.

Class 6202 Notebook. Contents pertain to some phase, results, story or information about 4- H Shooting Sports.

Experiential Classes

Class 6203 Shooting Aid or Accessory - (SF253) - Any item the 4-H member makes which helps the shooter/hunter better perform their sport, examples: rifle sling, kneeling roll, arm guard, shotgun vest, target boxes, shooting stick, etc. Include your design, or plans you adapted, what the item is and used for.

Class 6204 Storage Case - (SF254) - Any item the 4-H member makes with the purpose to safely hold a firearm, bow, ammunition, and/or arrows. Examples: soft sided shotgun case, quivers, firearm safe, include your design, or plans you adapted. Explain how the storage case is used.

Class 6205 Practice Game or Activity - (SF255) - Invent or adapt an activity to practice or teach a project skill. Include pictures of youth playing the game, testimonials of 4-H members who played the game, what skill is being worked on, and directions for the game. Explain how you came up with the game or adapted it to fit the needs of your group members.

MISCELLANEOUS EDUCATIONAL DISPLAY & MISCELLANEOUS EDUCATIONAL NOTEBOOKS

***Class 24** Miscellaneous Educational Display

Display size must not exceed a tri-fold 3’ wide x 4’ tall.

***Class 25** Miscellaneous Educational Notebook

DIVISION 8

READ 4-H

Pre-entries Required

The Read 4-H project is intended for those enrolled in the Reading Adventures project area. Participants should create art, crafts, informational posters, games, etc. relating to a book of their choice.

- 1) Projects should be depicting a scene from a book, explaining the storyline, offering history or context, or otherwise be related to a book of your choice.
- 2) Projects will be judged primarily on how well they convey the chosen “message” and less emphasis will be placed on artistic ability. Do your best quality work but know that judges will be focused on the material.
- 3) Projects cannot be entered into multiple divisions. Each project may only be entered into one division.

***Class 76** Arts & Crafts project. Example: colored scene from a book, wand from Harry Potter, etc...

***Class 77** Project poster. Example: a story board explaining key book events.

***Class 78** Project Notebook. Example: A notebook comparing and contrasting book characters.

***Class 79** Original Publication. 4-Her’s may create their own book which should include front and back covers, author, turnable pages, and a unique storyline.

***Class 80** Other. Example: A board game related to a book.

***No State Fair Classes**

DIVISION 9
INTERIOR DESIGN & ARCHITECTURE
Pre-entries Required

This project gives you the opportunity to examine your environment, both inside and outside of the home. Decorating a room, refreshing your porch, landscaping an area of your yard, refurbishing a family heirloom or even creating something brand new are all examples of ways to incorporate the design process in your living environment. Learning and experimenting with the elements of design (color, line, value, space, shape, form and texture) in all areas of a room or space or furniture piece are all part of this project. Being a designer (architect, furniture, landscape or interior designer, etc.) is not only about how a space looks but also how it feels. The end goal is to create a space that feels inclusive, functional, and inviting to all. The home environment project will give you the opportunity to design, create and implement what you've learned by creating a notebook, project board or item.

Exhibitors are required to participate in consultative judging in person. For more information see "General Rules" rule #6.

Class 4400 Single Exhibit- An article made by the 4-Her for the home. Include explanation of how it was made or refurbished, cost, and how it fits into the color and design of the room.

Class 4401 Poster – no larger than 22" x 28"

Class 4402 Notebook

Poster or notebooks may include swatches, colors, stories, photographs, and project records which detail what was accomplished this year along with an indication of long-term plans.

DIVISION 10
BOOTHS, BANNERS, BARN QUILTS, & PORCH SIGNS
Pre-entries Required

BOOTH AND BANNER RULES

1. Each club is encouraged to make a booth or banner illustrating some phase of 4-H. Clubs may make one of each.
2. Booths and banners should be planned, built and erected by 4-H Club members or 4-H affiliated groups.

SPECIAL AWARDS:

The Sumner County Farm Bureau will award \$50.00 for Top Display with Safety Theme.

The 4-H Council will sponsor the following awards to Displays promoting 4-H: 1st Place - \$30, 2nd Place - \$20, 3rd Place - \$10

***Clubs may enter more than one booth and all would be eligible to win Grand or Reserve.**

BOOTHS

1. All booths must be the work of the current year.
2. Each booth should illustrate a phase of 4-H work that is practiced by boys & girls in 4-H.
3. Booth measurements 4' x 4' x 4' tall.

***Class 26** Home Economics

***Class 27** Agriculture

***Class 28** Conservation

***Class 29** Safety

***Class 30** Livestock Production or Livestock

***Class 31** Promoting 4-H

***Class 32** Miscellaneous

***No State Fair Class**

BANNERS

1. All banners must be the work of the current year.
2. Each banner should illustrate a phase of 4-H work that is practiced by boys & girls in 4-H.
3. Banners are a two-dimensional display depicting one idea.
 - a. Banners must be hung on a wooden dowel rod strong enough to support the banner. On each end of the dowel rod there must be a chain 6" long. The chain must measure 6" from the top of the cable to the center of the dowel rod. On the other end of the chain attach an "S" hook so the banner can be hung.
 - b. Dimensions are to be no less than 12 and no more than 16 square feet, with no side less than 3 feet.
 - c. Three dimensional objects can be attached to the banner.
 - d. A label is to be attached to the lower left-hand corner of the banner giving the name of the 4-H club, county, and year. Waterproof inks prevent smearing and is recommended for the label.
 - e. Copyright Laws: Exhibitors should avoid using copyrighted materials. To search if an item is copyrighted go to the US Copyright Office at www.copyright.gov/ Click on Search Copyright Records.

***Class 33** Banner

BARN QUILTS *(This is for Club entries, see Division 27 for Individual entries)*

1. All barn quilts must be the work of the current year.
2. Barn Quilts must be 2' by 2' square. Display cannot be on point (diamond shape) Due to display limitation.
3. Must be on 3/8" or 1/2" thick exterior durable material.
4. Original designs are encouraged, if copied, credit should be given.

***Class 34** Barn Quilts

PORCH SIGNS *(This is for Club entries, see Division 27 for Individual entries)*

1. All porch signs must be the work of the current year.
2. Porch signs must be 12-18" wide by 58-60" tall with vertical orientation for display purposes. Material must be sturdy to allow sign to stand up.

***Class 35** Porch Signs

***No State Fair Class**

DIVISION 11 PHOTOGRAPHY Pre-entries Required

1. Photography exhibited must be the result of the current year's work.
2. Each exhibitor will be allowed four entries from project(s) in which enrolled. No more than 2 entries can be made in any photography class.
3. Photographs can be mounted on any white or black photo board. *(It is recommended that 4-Hers adhere to the State Fair mounting guidelines at the county level to limit the need to reprint photos)*
4. To be eligible for the State Fair all photos must be no larger than 8" x 10" and no smaller than 7" x 9", after trimming. They are to be mounted across the narrow (11") dimension of an 11" x 12 1/2" sheet of white studio mount, with the top edge of the print 1" below the top of the cardboard and with the sides of the print equal distance from the two sides of the mounts. A permanent mount

should be made using photographic adhesive mounting. Remove white border from enlargement before mounting. Photos not going to the State Fair must be at least 4" x 6".

5. No lettering will be permitted on the mount or the pictures. No underlays or borders are to be used. The white trim should be removed from the enlargement.
6. Name, address, and county name should be written on the back of each mount.
7. Studio mounts are available at cost from the Extension Office to be paid in full before use.
8. Photographs taken with a digital camera and having no more adjustments than exposure, color intensity or correction, one click filter effects, red eye removal, cropping, dodging and burning should be entered in the standard color or black and white classes.
9. Digital images that have had objects added or removed, multiple filter effects applied or black & white and color combined.
10. Photos with live subjects on railroad right of way or taken from railroad right of way property will not be displayed and will be disqualified and not judged.
- 11. Exhibitors are required to participate in consultative judging in person. For more information see "General Rules" rule #6.**

Class 4800 Color photos - taken by a 4-H member with 1 - 3 years photographer.

Class 4801 Color photos - taken by a 4-H member with 4 - 7 years photographer.

Class 4802 Color photos - taken by a 4-H member with 8 or more years photographer.

Class 4803 Black and white photos - taken by a 4-H member with 3 years or less in the project.

Class 4804 Black and white photos - taken by a 4-H member with 4-7 years in the project.

Class 4805 Black and white photos - taken by a 4-H member with 8 or more years in the

Class 4806 My Favorite 4-H Photo Display. **This is a State Fair Only class** that is display only (not judged). Please see the Kansas State Fair Book for details.

Class 4807 Growth Portfolio

- 1.) Member is eligible for this class beginning with the third year of enrollment in the 4-H photography project.
- 2.) Exhibit will consist of one photo for each year of enrollment. Each photo must have been created in a different year and must be labeled with the year taken/project enrollment year. A maximum of 5 photos may be included if the member has 5 or more years of enrollment. Photos are not required to be in a consecutive order. For example, a nine-year-old with three years enrollment in photography is eligible to enter a growth portfolio. The portfolio in this example should have one photo from the seven-year-olds year, one photo from the eight-year-olds year, and one photo from the nine-year-olds year. The growth portfolio class may start at any time in the member's photography career. For an older member, the growth portfolio would represent any five years in the project, for example, years 1,3,5,7 and 9 for a member having project enrollment totaling 9 years.
- 3.) Photos must be 8" x 10" and may be color or black and white and must be unmounted.
- 4.) An information sheet must accompany each photo giving brand and model of camera used to create the photo. The settings for focal length, aperture, mode and shutter speed must also be listed. Skill set used to create the photo must be given and explained. Main goal for each year should be listed.
- 6.) Beginning with photo 2, member description of GROWTH in project skill must be included on information sheet.

- 7.) Exhibit will consist of photos arranged in chronological order of enrollment, information sheet on each photo, and all information listed in #6 and #7. A portfolio book will be required to exhibit.

Class 4808 Career Portfolio

- 1.) Member must have been enrolled in Photography for 5 (five) or more years OR member must be age 15 -19 and been enrolled in photography for at least two (2) years.
- 2.) Exhibit will consist of ten (10) 8 x 10 photos showing skill development in one of the following photography areas: Portraiture, Special Effects (not done with computer), Landscape, Photo Journalism, Black and White, Nature/Wildlife or Graphic Design (computer skills with photos). All photos must be the result of the current 4-H enrollment year.
- 3.) Photos may be color except if Black and White option is chosen and must be unmounted.
- 4.) An information sheet must accompany each photo giving brand and model of camera used to create the photo. The settings for focal length, aperture, mode and shutter speed must also be listed.
- 5.) A one-page summary should accompany the portfolio listing the goal for pursuing this area of photography and what skills were learned while doing so. Mentors should be acknowledged. Career exploration can also be described.
- 6.) Exhibit will be presented in a notebook designed for portfolio review with pages for required information from #4 and #5.

***Class 36** Color sequence (series of 3, 4, or 5 pictures; not to exceed 5 pictures) open to all units. This series can be no less in size than 4"x 4".

***No State Fair Class**

DIVISION 12
AGRONOMY
Pre-entries Required

1. One entry per class unless different variety; two varieties per class.
2. All containers are to be plainly labeled for identification and all exhibits are to be labeled as to variety except in garden display.
3. Grains are to be displayed in glass gallon containers. May have up to a 3" cylinder placed in jars. Entry tag to be on or in container as designated.
4. Entries may be made at both the Spring Show and 4-H Fair but only one premium will be paid for the same exhibit at both events.
5. Sample with insects will be disqualified
6. For agronomy exhibits that qualify and wish to attend the State Fair. See agronomy section in State Fair Handbook for rules, regulations, and classes.
7. **Exhibitors are required to participate in consultative judging in person. For more information see "General Rules" rule #6.**

CORN

Class 2400 White- Ten Ear Exhibit. Variety or hybrid must be named.

Class 2401 Yellow- Ten Ear Exhibit. Variety or hybrid must be named.

Class 2425 Corn: Exhibit to consist of one-gallon sample. Variety must be named.

SORGHUM

Class 2402 Hybrid grain sorghum- Ten Head Exhibit. Hybrid must be named.

Class 2403 Hybrid forage sorghum. Exhibit to consist of the entire plant; no roots. Hybrid must be named. 5" bundle, tied.

Class 2404 Other forage sorghums. Exhibit to consist of the entire plant; no roots. Variety must be named. 5" bundle, tied.

WHEAT – One Gallon Sample

Class 2405 Soft red winter wheat. Variety or hybrid must be named.

Class 2406 Hard red winter wheat. Variety or hybrid must be named.

Class 2407 Hard white wheat. Variety or hybrid must be named. SUNFLOWERS

Class 2408 Confectionery heads. 3 heads must be submitted.

Class 2409 Confectionery seeds in jar. 1-gallon jar must be submitted.

Class 2410 Oil seed heads. 3 heads must be submitted.

Class 2411 Oil seeds in jar. 1-gallon jar must be submitted.

WHEAT PLOT DISPLAY

Class 2430 Wheat Variety Plot Display (see State Fair Rules)

OTHER CROPS

Class 2412 Oats: Exhibit to consist of one-gallon sample. Variety must be named.

Class 2413 Barley: Exhibit to consist of one-gallon sample. Variety must be named.

Class 2417 Brome Grass Seed: Exhibit to consist of one-gallon sample of seed.

Class 2418 Other Tame Grass Seed: Exhibit to consist of one-gallon sample of seed.

Class 2421 Edible field beans: Exhibit to consist of one-gallon sample of seed from most recent harvest.

Class 2422 Edible field beans: Bundle of five plants (with roots intact) from most recent harvest.
(Example – Lentils)

Class 2423 Miscellaneous Crops: Exhibit to consist of one gallon sample of seed or 10 heads produced from current project. Variety must be named. (Ex – Popcorn)

Class 2424 Cotton: Provide 10 open bolls, not 10 plants. Place bolls in a bag that can breathe (not a sealed plastic bag), so mold doesn't develop.

HAY CROPS

Class 2501 Alfalfa Hay: Exhibit to consist of one flake or slice from a rectangular bale, or a 10-inch section cut from a round bale. The flake or slice should be approximately 6 inches in thickness and tied in two directions. Variety must be named.

Class 2502 Native Grass Hay: Ten-inch flake or slice, 6 inches thick and tied in two directions.

Class 2503 Cool Season Grass Hay (e.g., fescue, etc.): Ten-inch flake or slice, 6 inches thick and tied in two directions. Variety must be named.

SOYBEANS

Class 2425 Soybeans: Exhibit to consist of one-gallon sample of seed from most recent harvest. Variety must be named.

Class 2426 Soybeans: Bundle of five plants from most recent harvest. Variety must be named.

***Class 37** Other Agronomy (max. outside dimensions 36"H x36"W x 18"D)

DIVISION 13
HORTICULTURE & LANDSCAPE DESIGN
Pre-entries Required

1. All horticultural exhibits must be grown by the exhibitor.
2. Secure entry form to disposable plate or container with string or tape. Use a sturdy disposable plate, bowl or container that will support the weight of the produce.
3. A member may enter up to a total of 4 produce items, according to the number qualified at the county/district fair, each a different type of produce, from classes 2501-2507. Members may enter multiple entries in an individual class, provided each entry is a different type of produce. Ex. Class 2502 – Medium Vegetable; member may enter tomatoes, peppers and cucumbers under the same class number. 4. An exhibitor earning a purple ribbon at their county/district fair on an out-of-season vegetable/fruit/herb (ex. Early peas) may substitute another vegetable/fruit/herb (ex. Pumpkin) in its place at the State Fair.

Class 2500 Garden Display: Each exhibitor in this class will be limited to four square feet of space. The Garden Display must be exhibited in a tray, basket or container that can be easily moved by the fair staff. Exhibit consists of five different types of fresh vegetables or fruits. Canned products and shelled vegetables are not acceptable. Only one variety of each type of vegetable or fruit may be exhibited. The numbers of the five types of vegetables or fruits to be exhibited are as follows:

- Large Vegetables (One Each): Cabbage, Cantaloupe, Eggplant, Large Pumpkin, Squash, Watermelon
- Medium Vegetables (Five Each): Beets, Carrots, Cucumbers, Decorative Gourds, Potatoes, Miniature Pumpkins, Okra, Onions, Peppers, Radishes, Sweet Potatoes, Tomatoes, Garlic, or other similar sized vegetable
- Small Vegetables (Twelve Each): Green snap beans, wax beans, English peas, cherry and pear tomatoes, or other similar sized vegetables
- Small fruits (One half pint box): Strawberries, blackberries, raspberries, or other similar sized fruits.
- Tree fruits (5 each): Apples, pears, peaches, or similar sized fruits.
- Grapes (2 bunches)

Class 2501 Small vegetable specimen plate (12) Ex: green snap beans, yellow wax beans, cherry tomatoes other small vegetables.

Class 2502 Medium vegetable specimen plate (5) Ex: cucumbers, tomatoes, beets, white onions, yellow onions, red onions, bell peppers, other peppers, okra, parsnips, radishes, turnips, sweet potatoes, red potatoes, white or Russet potatoes, carrots, miniature pumpkin, decorative gourds, garlic, or other medium vegetables.

Class 2503 Large vegetable specimen plate (1) Ex: watermelon, summer squash, winter squash, large type pumpkin, eggplant, cabbage, cantaloupe, other large vegetable.

Class 2504 Fresh Culinary herbs (6) ex: parsley, basil, dill, etc. Six stems (or a comparable quantity) of one variety of fresh herbs must be exhibited in a disposable container of water. Dried herbs are not accepted.

Class 2505 Small fruits (one half pint box) Ex. Strawberries, blackberries, raspberries, or other similar sized fruits. (if other, please include name of fruit on entry).

Class 2506 Tree fruits (plate of 5) Ex. apples, pears, peaches, or similar sized fruits.

Class 2507 Grapes (plate of 2 bunches).

FLORAL EXHIBITS

- 1.** A 4-H member may enter up to 4 floral exhibits plus one horticulture notebook in classes 5600-5604. Members may enter multiple entries in a single class in classes 5600-5601 provided each flower specimen is of a different species. EX: Class 5600 – Annual Page | 75 Garden Flower, member may enter sunflowers, zinnias, and marigolds under the same class number.
- 2.** Members are encouraged to exhibit cut flowers and fresh floral arrangements in disposable containers. If a non-disposable container is used mark it plainly with your name and 4-H Club. The Sumner County 4-H Fair is not responsible for the loss or damage to any flower arrangements, vases or containers.
- 3.** All floral materials must be grown and/or collected by the exhibitors. Do not use purchased plant materials. Entries should not take over one square foot of table space.
- 4.** Potted plants are not accepted.
- 5.** All entries must be freestanding, easily moved, and not require any special equipment to display. Hanging entries are not accepted.

Class 5600 Annual Garden Flower, cut specimen, single stem.

Class 5601 Perennial Garden Flower, cut specimen, single stem.

Class 5602 Fresh Flower Arrangement. Flower materials must be grown and/or collected by exhibitor, not purchased.

Class 5603 Dried flower Arrangement, no fabric or plastic material allowed. Materials must be grown/collected by the exhibitor

Class 5604 Horticulture Notebook. Entry shall consist of a notebook or three-ring binder of written narrative describing a horticulture project such as a landscape design, landscape installation, lawn renovation, water garden, flower garden, vegetable garden, lawn mowing service, landscape maintenance business, farmer's market business, or other horticultural project. 4-H members are encouraged to include photographs, illustrations and/or landscape drawings that help explain work done by the member. Photos taken from the same location before, during and after the completion of the project are particularly helpful. Exhibitor may enter one horticulture notebook. Horticulture notebook scoring is based on the following criteria:

- Organization and General Appearance (neat, includes title page and table of contents, original, creative, etc.) 20%,
- Narrative (including goals, successes, failures, etc.) 40%,
- General Content (subject matter, photos, maps, knowledge gained, etc.) 40%

***Class 38** Nature's Gift, wild flowers and/or any leaves "dressing up" wood or a rock which may dominate

***Class 39** House Plants, limit 3 per exhibitor

***Class 40** Artificial Floral Arrangement, is any arrangement not using real flowers. Limit 3 per exhibitor

***Class 42** Just a Bouquet, common flowers.

***No State Fair Class**

Horticulture Contests Sponsored by Sumner County Farm Bureau

HORTICULTURE CONTESTS

1. Open to any currently enrolled 4-H'er.
2. 4-H'er does NOT need to be in plant science project to enter.
3. Ribbons will be awarded for the top 5 places.
4. Prize money sponsored by Sumner County Farm Bureau.
5. These are meant to be a fun challenge to explore your creativity.
6. Superintendent and judge's decisions are final.

CREATIVE SPUD CONTEST

Using a large potato (should be (5) five inches or longer), show us your version of a potato character using only natural materials to create the body parts (arms, legs, etc.). Items should be things like grass, straw, various vegetables, feathers, etc. Materials will be allowed to be purchased for the outfit only, which should be a very small portion of your decorations (example: felt, toulung, construction paper). NO use of plastic store purchased items will be allowed. Also, on a 3" x 5" index card, please submit the name of your character along with a few words describing its personality. Judging will be based on creativity and the use of items.

*LARGEST TOMATO CONTEST

Tomato must be home grown. A 3" x 5" index card must be submitted with a few words explaining the growing condition and care of the tomato. Largest tomato will be determined by weight.

*UNIQUE VEGETABLE CONTEST

Any vegetable grown at home may be entered. A 3" x 5" index card must be submitted with a few words explaining the growing condition and care of the unique vegetable.

***No State Fair Class**

DIVISION 14

WOODWORK

Pre-entries Required

1. Exhibitors may enter a maximum of three articles. Label each article with name, address, class number, age, years in project, and intended use.
2. The plan from which it was constructed must be with the article exhibited. The plan may be a photocopy, the actual pattern, or a scale drawing. It must be complete and accurate to the extent that a duplicate article could be built using the plan as a guide.
3. Any accessories, such as bags for cornhole boards, should not be brought with woodworking project.
4. Any project utilizing "fractal burning" (electrical burning creating branching patterns) will not be allowed due to safety concerns.
5. **Exhibitors are required to participate in consultative judging in person. For more information see "General Rules" rule #6.**

Class 4700 Woodwork Article for Farm or Shop use

Class 4701 Furniture for household or lawn use

Class 4702 Other Woodwork Articles not included in above classes. (Example: bird houses, etc.)

***Class 45** Household Article

***Class 46** Piece of Repaired and Refinished Furniture. (Attach a before picture and card listing repairs and steps in refinishing.)

***No State Fair Class**

DIVISION 15
ELECTRIC AND RENEWABLE ENERGY
Pre-entries Required

1. Open to all 4-H members enrolled in the electric project. One entry per class.
 2. On label state: Basic, Intermediate or Advanced after the class number. These levels will be judged separately. Members and leaders should follow leader's guide in selecting articles in each phase. Exhibits should be operable (batteries furnished by exhibitor). If exhibit is advanced or operations questioned an instruction sheet should be included.
- 1. Exhibitors are required to participate in consultative judging in person. For more information see "General Rules" rule #6.**

ELECTRICAL ELECTRONICS

Class 4600 AC Electric Projects. Electric projects with a 110 or 120 V alternating current (AC) power source. Some project examples are household wiring demonstrations, small appliances extension cords, trouble lights, indoor or outdoor wiring boards, or shop lights. Projects may be a restoration of original construction. The project must be operational and meet minimum safety standards. AC projects must be 110/120 V, no 240 V exhibits are allowed, and must be constructed such that the judges have access to examine the quality of workmanship.

Class 4601 DC Electric Projects. Electric projects with a battery or direct current power source. This class includes electric kits or original projects. This class also includes demonstration DC powered projects. Examples include: wiring two or three-way switches, difference between series/parallel lighting circuits or wiring doorbells switches. All DC electric projects must work with batteries supplied by 4-H'er. Projects must be constructed such that the judges have access to examine the quality of wiring workmanship.

Class 4602 Electronics Projects. Electronic projects with a battery or direct current power source. This class includes electronic kits or original projects. Examples include radios, telephones, toy robots, light meters, security systems, etc. May be constructed using printed circuit board, wire wrap, or breadboard techniques. Include instruction/assembly manual if from a kit. Include plans if an original project. Projects must be constructed such that the judges have access to examine the quality of wiring workmanship.

Class 4603 Educational Displays and Exhibits. This class includes any educational displays, exhibits or science fair projects which DO NOT have a power source, i.e., exhibits, posters or displays of wire types, conduit types, electrical safety, tool or motor parts identification or electrical terminology. A maximum tri-fold size of 3' x 4'.

DIVISION 16
SMALL ENGINES
Pre-entries Required

1. All exhibits should involve engines smaller than 20 horsepower for classes 4610-4612
2. Displays are limited to 4' wide and 4' deep – both upright and floor displays.
3. **Exhibitors are required to participate in consultative judging in person. For more information see “General Rules” rule #6.**

Class 4610 Display – Exhibit a display, selecting one of the following options: 1) a display identifying different engine or lawn and garden equipment parts or a display showing the function of the various engine or lawn and garden equipment parts; OR 2) a display identifying and explaining the functions(s) of different special tools needed for small engine work; OR 3) a display illustrating and providing the results of any one of experiments that are included in the project books. No complete engines, lawn tractors, tillers, chainsaws are permitted for display. Maximum tri-fold size is 3'x 4'.

Class 4611 Maintenance – Exhibit a display that illustrates either 1) Routine maintenance procedures OR 2) Diagnosing and troubleshooting specific problems in an engine. No complete engines, lawn tractors, tillers, chainsaws, etc. are permitted for display using a maximum tri-fold size of 3' X 4'.

Class 4612 Operation – Exhibit an operable small engine (no more than 20 HP) overhauled or rebuilt by the member. Include maintenance schedule for the engine and a brief description of steps taken by the member overhauling or rebuilding the engine. Engine should contain no fuel in tank or carburetor.

Alternative ENERGY (A form of energy derived from a natural source, such as the sun, geothermal, wind, tides or waves.

All exhibits in this division are limited in size to standard, tri-fold, display boards (36" X 48") and items may not extend beyond 12" from the back board. All displays must be self-standing.

Class 4620 Educational Display – Create an exhibit that addresses a focused topic related to power generated from a renewable energy source. The purpose of the exhibit is to inform and create awareness.

Class 4621 Experiment – Display an experiment addressing a problem or question related to power generated from a newable energy source. Include hypothesis, background research, variables, a control, data, findings, conclusions and recommendations for future study.

DIVISION 17
ASTRONOMY
Pre-entries Required

Exhibitors are required to participate in consultative judging in person. For more information see “General Rules” rule #6.

Contact the Extension Office or check the state fair website at www.kansasstatefair.com for guidelines.

Class 5500 Telescope made from kit or original design. Include plans.

Class 5501 Telescope made from original design

Educational Exhibit Rules

1. Educational display boards, posters and notebooks should be creative and showcase details about the knowledge learned in the project during the current 4-H year. Value is placed on youth who can demonstrate how their skills have increased while completing the project. Each exhibit will be judged on uniqueness, creativity, neatness, accuracy of material, knowledge gained, and content. An exhibit judging score sheet available at <http://astronomy.engtech4ks.com/>.
2. Follow copyright laws, citing all sources of information in a standard notation Sources of information must be cited on the front of your exhibit, including all posters and educational display boards.
3. Posters are limited to commercial 3' X 4' tri-fold display boards
4. Educational Project notebooks must be organized in a 3-ring binder.
5. Exhibits should possess the following qualities (in no particular order):
 - a. A central theme
 - b. What you want others to learn
 - c. Be designed and constructed in a manner befitting the exhibit
 - d. Be something you are interested in

Astronomy – Junior Division (Ages 7-8)

- ***Class 62** Junior Astronomy Educational Display
- ***Class 63** Junior Astronomy Educational Notebook
- ***Class 64** Junior Astronomy Educational Poster

Astronomy – Intermediate Division (Ages 9 – 13)

- Class 5731** Intermediate Astronomy Educational Display
- Class 5732** Intermediate Astronomy Educational Notebook
- Class 5733** Intermediate Astronomy Educational Poster

Astronomy – Senior Division (Ages 14 years and older)

- Class 5736** Senior Astronomy Educational Display
- Class 5737** Senior Astronomy Educational Notebook
- Class 3738** Senior Astronomy Educational Poster

DIVISION 18 ROBOTICS

Pre-entries Required

Exhibitors are required to participate in consultative judging in person. For more information see “General Rules” rule #6.

Contact the Extension Office or check the state fair website at www.kansasstatefair.com for guidelines.

Junior Division (Ages 7-8)

- ***Class 47** Robot made from a commercial (purchased) kit. Include construction plans and number of years in project.
- ***Class 48** Robot designed by exhibitor. May not be mere modifications of an existing robot kit or plan. Include original construction plans and number of years in project.

Intermediate Division (Ages 9-13)

- Class 5509** Robot made from a commercial (purchased) kit (no programming, just assembly).

- Class 5510** Robot designed by exhibitor. The robot must not be a mere modification of an existing robot kit or plan.
- Class 5511** Programmable robot made from a commercial (purchased) kit.
- Class 5546** Robot designed and constructed by exhibitor or from a commercial kit, that is operated by a remote-controlled device.
- Class 5544** Junk Drawer Robotics.

Senior Division (Age 14 years and older)

- Class 5313** Robot made from a commercial (purchased) kit (no programming just assembly).
- Class 5514** Robot designed by exhibitor. The robot must not be a mere modification of an existing robot kit or plan.
- Class 5515** Programmable robot made from a commercial (purchased) kit.
- Class 5547** Robot designed and constructed by exhibitor or from a commercial kit, that is operated by a remote-controlled device.
- Class 5545** Junk Drawer Robotics.

Division D – Team Robotics Project

- Class 5517** Robot designed and constructed by two or more 4-H STEM project members. The robot must not be a mere modification of an existing robot kit or plan. The robot may be a programmable type that is made from a commercial (purchased) kit. This division is designed to encourage teamwork and cooperation among fellow 4-HSTEM members. As with many high-tech projects today, no one person designs and builds a robot alone. It takes the brainstorming, planning, problem solving, and cooperation of an entire team to complete a given robotics project.

Robotics Educational Exhibit Rules

6. Educational display boards, posters and notebooks should be creative and showcase details about the knowledge learned in the project during the current 4-H year. Value is placed on youth who can demonstrate how their skills have increased while completing the project. Each exhibit will be judged on uniqueness, creativity, neatness, accuracy of material, knowledge gained, and content. An exhibit judging score sheet available at <http://robotics.engtech4ks.com/>.
7. Follow copyright laws, citing all sources of information in a standard notation Sources of information must be cited on the front of your exhibit, including all posters and educational display boards.
8. Posters are limited to commercial 3' X 4' tri-fold display boards
9. Educational Project notebooks must be organized in a 3-ring binder.
10. Exhibits should possess the following qualities (in no particular order):
 - a. A central theme
 - b. What you want others to learn
 - c. Be designed and constructed in a manner befitting the exhibit
 - d. Be something you are interested in

Robotics – Junior Division (Ages 7-8)

- ***Class 68** Junior Robotics Educational Display
- ***Class 69** Junior Robotics Educational Notebook
- ***Class 70** Junior Robotics Educational Poster

Robotics – Intermediate Division (Ages 9 – 13)

Class 5756 Intermediate Robotics Educational Display
Class 5757 Intermediate Robotics Educational Notebook
Class 5758 Intermediate Robotics Educational Poster
Robotics – Senior Division (Ages 14 years and older)
Class 5761 Senior Robotics Educational Display
Class 5762 Senior Robotics Educational Notebook
Class 5763 Senior Robotics Educational Poster
Robotics Team Robotics Project
Class 5766 Team Robotics Educational Display
Class 5767 Team Robotics Educational Notebook
Class 5768 Team Robotics Educational Poster

***No State Fair Class**

DIVISION 19
AEROSPACE/ROCKETRY
 Pre-entries Required

1. Rockets are to be properly assembled, uniformly and smoothly finished, and painted.
2. Each rocket exhibited must be able to stand freely by itself or be supported by a wooden base, not to exceed 4 1/4" thick x 8" square for small and medium-sized rockets; wooden or metal support rods must not extend past the tip of the nose cone. **SUPPORT RODS MUST REMAIN IN THE UPRIGHT POSITION. DO NOT ANGLE. Rockets may not be exhibited on launch pads.**
3. Angles of the fins must fall within a plus or minus 2-degree variation and rounded or streamlined to reduce drag.
4. **Engines and igniters of any type are NOT permitted with the exhibit.**
5. Beginner kits with prefabricated fin assemblies, pre-finished rockets not requiring painting, and plastic snap together fins not requiring alignment are not acceptable, **participation ribbon only.**
6. For new information about acceptable methods to figure altitude achieved on a rocket launch and documentation of it check the state fair website at www.kansasstatefair.com or contact Extension Office.
7. Check the state fair website at www.kansasstatefair.com for guidelines. Note: Rockets that qualify for state fair require more forms to be filled out.
8. **Exhibitors are required to participate in consultative judging in person. For more information see "General Rules" rule #6.**

Division JR (Ages 7-8)

- ***Class 49** Rocket made from a kit, without pre-assembled fin unites. Include plans.
- ***Class 50** Rocket made from "beginners kit." Include plans. Rockets in this class may have pre-assembled fin unites. (This class is for first and second year 4-H members to explore the rocketry project).
- ***Class 51** Scale Model Rocket made from kit, include plans.

Division A – Kits (Ages 9-13)

- Class 5520** Rocket made from a kit, include plans
- Class 5537** Scale Model Rocket. Made from kit, include plans

Division B – Scratch Built (Ages 11-13)

Class 5521 Rocket designed by exhibitor: not merely a modification of an existing kit. Include original plans

Class 5538 Scale Model Rocket designed by exhibitor: not merely a modification of an existing kit. Include original plans and stability testing.

Division C (Ages 14 years and older)

Class 5525 Rocket made from kit. Include plans.

Class 5526 Rocket designed by exhibitor: not merely a modification of an existing kit. Include original plans.

Class 5539 Scale Model Rocket made from kit. Include plans.

Class 5540 Scale Model Rocket designed by exhibitor: not merely a modification of an existing kit. Include original plans and stability testing.

Division D – Team Built (Ages 11 years and older)

This class is designed to encourage teamwork among individuals and clubs to work on a rocket from the initial design to the finished product.

Class 5530 Rocket designed by 2 or more exhibitors: not merely a modification of an existing kit. Include original plans.

Division E (Ages 14 years and older)

Class 5536 Mid-power rocket made from kit or original design

Division F (Ages 14 years and older)

Class 5535 High Power rocket made from kit or original design.

Educational Exhibit Rules

1. Educational display boards, posters and notebooks should be creative and showcase details about the knowledge learned in the project during the current 4-H year. Value is placed on youth who can demonstrate how their skills have increased while completing the project. Each exhibit will be judged on uniqueness, creativity, neatness, accuracy of material, knowledge gained, and content. An exhibit judging score sheet available at <http://astronomy.engtech4ks.com/>.
2. Follow copyright laws, citing all sources of information in a standard notation Sources of information must be cited on the front of your exhibit, including all posters and educational display boards.
3. Posters are limited to commercial 3' X 4' tri-fold display boards
4. Educational Project notebooks must be organized in a 3-ring binder.
5. Exhibits should possess the following qualities (in no particular order):
 - a. A central theme
 - b. What you want others to learn
 - c. Be designed and constructed in a manner befitting the exhibit
 - d. Be something you are interested in

Aerospace/Rocketry – Junior Division (Ages 7-9)

***Class 65** Junior Rocketry Educational Display

***Class 66** Junior Rocketry Notebook

- *Class 67 Junior Rocketry Poster Board
- Aerospace/Rocketry – Intermediate Division (Ages 9 – 13)**
- Class 5741 Intermediate Rocketry Educational Display
- Class 5742 Intermediate Rocketry Notebook
- Class 5743 Intermediate Rocketry Poster Board
- Aerospace/Rocketry – Senior Division (Ages 14 years and older)**
- Class 5746 Senior Rocketry Educational Display
- Class 5747 Senior Rocketry Notebook
- Class 5748 Senior Rocketry Poster Board

***No State Fair Class**

DIVISION 20
UNCREWED AERIAL SYSTEM
 Pre-entries Required

The 4-H uncrewed aerial system or UAS project explores the world from above the trees and discovers new frontiers with UASs. UASs are commonly known as Uncrewed Aerial Vehicles (UAVs) or drones. Members explore the uses and applications of uncrewed aerial system including how UASs link to other projects such as geology, robotics, electronics, crop science and many more.

1. Exhibitors are required to participate in consultative judging in person. For more information see “General Rules” rule #6.

For project guidelines and forms check the state fair website at www.kansasstatefair.com or contact the Extension Office.

Intermediate Division (Ages 9 – 13 years)

- Class 5701** Uncrewed Aerial System designed and constructed by exhibitor that is operated by a remote-controlled device. The UAS must not be a mere modification of an existing kit or plan. You may not exhibit a UAS that is purchased off the shelf in this class.
- Class 5702** Practical application of an Uncrewed Aerial System constructed from a commercial (purchased) kit. This includes the UAS, plus one or more of the following: video, notebook, poster, display board, etc. This class is separate from educational exhibits. A tangible use would be mapping Russian olive trees, eroded soils, and bindweed in fields, etc. There are also many other nonagricultural UAS uses that would be appropriate for this class.

Senior Division (Ages 14 and older)

- Class 5706** Uncrewed Aerial System designed and constructed by exhibitor that is operated by a remote-controlled device. The UAS must not be a mere modification of an existing kit or plan. You may not exhibit a UAS that is purchased off the shelf in this class.
- Class 5707** Practical application of an Uncrewed Aerial System constructed from a commercial (purchased) kit. This includes the UAS, plus one or more of the following: video, notebook, poster, display board, etc. This class is separate from educational exhibits. A tangible use would be mapping Russian olive trees, eroded soils, and bindweed in fields, etc. There are also many other non-agricultural UAS uses that would be appropriate for this class.

Educational Exhibit Rules

1. Educational display boards, posters and notebooks should be creative and showcase details about the knowledge learned in the project during the current 4-H year. Value is placed on youth who can demonstrate how their skills have increased while completing the project. Each exhibit will be judged on uniqueness, creativity, neatness, accuracy of material, knowledge gained, and content. An exhibit judging score sheet available at <http://astronomy.engtech4ks.com/>.
2. Follow copyright laws, citing all sources of information in a standard notation Sources of information must be cited on the front of your exhibit, including all posters and educational display boards.
3. Posters are limited to commercial 3' X 4' tri-fold display boards
4. Educational Project notebooks must be organized in a 3-ring binder.
5. Exhibits should possess the following qualities (in no particular order):
 - a. A central theme
 - b. What you want others to learn
 - c. Be designed and constructed in a manner befitting the exhibit
 - d. Be something you are interested in

Uncrewed Aerial System – Intermediate Division (Ages 9 – 13)

Class 5781 Junior Uncrewed Aerial System Educational Poster

Class 5782 Junior Uncrewed Aerial System Display Board

Class 5783 Junior Uncrewed Aerial System Notebook

Uncrewed Aerial System – Senior Division (Ages 14 years and older)

Class 5786 Senior Uncrewed Aerial System Educational Poster

Class 5787 Senior Uncrewed Aerial System Display Board

Class 5788 Senior Uncrewed Aerial System Notebook

DIVISION 21 COMPUTER SCIENCE Pre-entries Required

The 4-H computer science project teaches concepts related to computers, hardware knowledge, software programming and applications, internet safety, the building, maintenance and repair of computers and future career opportunities.

1. **Exhibitors are required to participate in consultative judging in person. For more information see “General Rules” rule #6.**

Contact the Extension Office or check the state fair website at www.kansasstatefair.com for guidelines.

Class 5590 Computer program, application, app, script, or coded system that is new and unique (not merely a file run in a program, such as a ‘word document’ or a picture drawn in ‘Microsoft Paint’).

Class 5591 Coded Website built entirely by the 4-H member (not using a pre-made template generator such as Wix or Squarespace). Items in this class could be coded in HTML, CSS, Javascript, Wordpress, or other web-based programming languages or platforms.

Class 5594 Microcontroller or microcomputer application – a small circuit board that is programmed to accomplish a specific task (project built and programmed using Raspberry Pi, Arduino, ect.)

Educational Exhibit Rules

6. Educational display boards, posters and notebooks should be creative and showcase details about the knowledge learned in the project during the current 4-H year. Value is placed on youth who can demonstrate how their skills have increased while completing the project. Each exhibit will be judged on uniqueness, creativity, neatness, accuracy of material, knowledge gained, and content. An exhibit judging score sheet available at <http://astronomy.engtech4ks.com/>.
7. Follow copyright laws, citing all sources of information in a standard notation Sources of information must be cited on the front of your exhibit, including all posters and educational display boards.
8. Posters are limited to commercial 3' X 4' tri-fold display boards
9. Educational Project notebooks must be organized in a 3-ring binder.
10. Exhibits should possess the following qualities (in no particular order):
 - a. A central theme
 - b. What you want others to learn
 - c. Be designed and constructed in a manner befitting the exhibit
 - d. Be something you are interested in

Computer Science – Intermediate Division (Ages 9 – 13)

Class 5771 Junior Computer Science Educational Poster

Class 5772 Junior Computer Science Display Board

Class 5773 Junior Computer Science Notebook

Computer Science – Senior Division (Ages 14 years and older)

Class 5776 Senior Computer Science Educational Poster

Class 5777 Senior Computer Science Display Board

Class 5778 Senior Computer Science Notebook

***No State Fair Class**

DIVISION 22
ENTOMOLOGY
Pre-entries Required

Exhibitors are required to participate in consultative judging in person. For more information see “General Rules” rule #6.

Rules & Resources for exhibiting can be found on the Kansas 4-H Entomology project page, on the Kansas State Fair website at www.kansasstatefair.com or contact the Sumner County Extension Office for details.

COLLECTION CLASSES

Class 4900 Beginning I Entomology Collection

Display in one standard box a minimum of 50 and a maximum of 125 species representing at least 7 orders. Follow the general guidelines listed for Collections. Members can exhibit in this class a maximum of 3 years and then they must move up a division.

Class 4901 Beginning II Entomology Collection - Display in one standard box a minimum of 75 and a maximum of 150 species representing at least nine (9) orders. Follow the general guidelines

listed for collections. Members can exhibit in this class a maximum of 3 years and then must move up a division.

Class 4903 Intermediate Entomology Collection – Display a minimum of 100 and a maximum of 300 species representing at least 10 orders. Two standard boxes can be used. Follow the general guidelines listed for Collections. In addition, family identification is required for all insects in any two of the following six orders:

(Only two will be counted for judging)

- a) “Insects in Kansas” book – Taxonomy - Orthoptera, Hemiptera, Coleoptera, Hymenoptera, and/or Diptera or
 - b) “Insects in Kansas Book: 2016 Revised Taxonomy”, which follows www.bugguide.net – Odonata, Orthoptera, Hemiptera, Coleoptera, Hymenoptera, and/or Diptera
- Members can exhibit in this class a maximum of 3 years. A 4-H member must move up if they receive a purple ribbon.

Class 4905 Advanced Entomology Collection - Display a minimum of 150 and a maximum of 450 specimens representing at least 12 different orders. Three standard boxes can be used. Follow the general guidelines listed for Collections. Family identification is required for all insects belonging to the six basic orders as outlined under the Intermediate phase. Only families in the above six orders will be counted for judging. Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained. Member may continue to exhibit in this class for an unrestricted number of years as long as they remain eligible for 4-H membership.

ENTOMOLOGY COLLECTION NOTEBOOKS CLASSES

Class 4907 Introductory Entomology Notebook - Display a minimum of 10 and a maximum of 30 insect species representing at least 6 different orders. Follow the general guidelines listed for Notebooks, including the Special project. A 4-H member must be of minimum age to compete at the Kansas State Fair. A 4-H member may exhibit in this class for a maximum of two years.

Class 4908 Beginning Entomology Notebook - Display a minimum of 20 and a maximum of 50 insect species representing at least 7 different orders. Follow the general guidelines listed for Notebooks, including the Special project. Members can exhibit in this class a maximum of 3 years or until they receive a purple ribbon at the Kansas State Fair, whichever comes first.

Class 4909 Intermediate Entomology Notebook - Display a minimum of 60 and a maximum of 100 species representing at least 9 orders. Follow the general guidelines listed for Notebooks, including the Special project. In addition, family identification is required for all insects in any two of the following six orders: (Only two will be counted for judging)

- a. “Insects in Kansas” book - Orthoptera, Hemiptera, Homoptera, Coleoptera, Hymenoptera and/or Diptera or
 - b. “Insects in Kansas Book: 2016 Revised Taxonomy” which follow www.bugguide.net – Odonata, Orthoptera, Hemiptera, Coleoptera, Hymenoptera, and/or Diptera
- Members can exhibit in this class a maximum of 3 years. A 4-H'er may move up if they receive a purple ribbon.

Class 4910 Advanced Entomology Notebook - Display a minimum of 100 and a maximum of 200 species representing at least 12 orders. Follow the general guidelines listed for Notebooks. Family identification is required for all insects belonging to the six basic orders as outlined under the Intermediate phase. Only families in the above six orders will be counted for judging. Family identification of insects in the remaining orders is optional, but desirable as long as

accuracy is maintained. Members may continue to exhibit in this class for an unrestricted number of years as long as they remain eligible for 4-H membership.

ENTOMOLOGY EDUCATIONAL DISPLAY CLASSES

- Class 4902** Beginning Educational Display – Class for individuals that are exhibiting in the Beginning I and II Collection or Beginning Notebook Classes. If only exhibiting in this category, then ages 9 – 12.
- Class 4904** Intermediate Educational Display – Class for individuals that are exhibiting in the Intermediate Collection or Intermediate Notebook Classes. If only exhibiting in this category, then ages 11 – 14.
- Class 4906** Advanced Educational Display – Class for individuals that are exhibiting in the Advanced Collection or Advanced Notebook Classes. If only exhibiting in this category, then ages 13 or older.
- Class 4920** Beginning Monarch Butterfly Educational Display Class: for 4-H members enrolled in Beginning I or II Entomology.
- Class 4930** Intermediate Monarch Butterfly Educational Display Class: for 4-H members enrolled in Intermediate Entomology.
- Class 4940** Advanced Monarch Butterfly Educational Display Class: for 4-H members enrolled in Advanced Entomology.

DIVISION 23 GEOLOGY Pre-entries Required

1. The standard size exhibit box should be 18" x 24" x 3 ½". All specimens are to be arranged with top being the 18" dimension of the exhibit box. If the box has a sliding cover, it must be removable from the top.
2. Each exhibitor is required to identify each display box by placing an identification label with *Name, County, Class Number & Number of Specimens* on the inside of box, upper left-hand corner, and a second label for back of the box on the outside.
3. Geology specimens should be labeled - number of specimens, date collected, specimen name or description, and locality (county) where found, by proper groups – rocks, minerals, fossils.
4. All specimens must be collected from locations in Kansas.
5. Contact the Extension Office or check the state fair website at www.kansasstatefair.com for additional guidelines.
6. **Exhibitors are required to participate in consultative judging in person. For more information see "General Rules" rule #6.**

- Class 5200** Display at least 15 different rocks, minerals or fossils collected during the current 4-H year. Limited to one exhibit box (18" x 24" x 3 ½") with plexi-glass cover. Fossils must be identified to the Phylum level.
- Class 5201** Display at least 30 different rocks, minerals or fossils; at least 5 of each. Exhibit must include at least 15 specimens of current year's work. Limited to one exhibit box. Fossils identified to the Phylum level.
- Class 5202** Display at least 45 rocks, minerals or fossils; at least 5 of each. Exhibit limited to two boxes (18" x 24" x 3 ½") with plexi-glass cover. Exhibit must include at least 15 specimens of

current year's work. Rocks must be identified by their proper name and type. Fossils identified to the Phylum level.

Class 5203 Display at least 60 rocks, minerals, or fossils, at least 5 of each. Exhibit limited to two boxes 18" x 24" x 3 ½" with plexi-glass cover. Exhibit must include approximately 15 specimens of current year's work. Rocks must be identified by their proper name and type. Fossils must be identified to the Phylum, Class, and Genus levels if possible.

Class 5204 Geology Educational Exhibit: Exhibit relating to everyday living; or to a mineral test, a rock formation, geological history, species of a fossil, forms of one mineral, a variation of one kind of rock, archaeological artifacts, or Indian artifacts. Digital formats are accepted. Please make arrangements for the judge to view your exhibit and have a hard copy for display. List your sources used (example – web address or books reviewed as a citation list). Exhibit limited to 4 feet of 35 table space. Care should be taken to use durable materials that will withstand conditions. Exhibitor may show in the class regardless of number of times he or she has exhibited at the fair or whether exhibitor has entries in classes 5200, 5201, 5202 or 5203. Exhibitor may also exhibit in lapidary class.

Class 5205 Mineralogy . Display a minimum of 15 mineral specimens collected in Kansas, at least 5 of which have been collected during the current 4-H year. The minerals are to be grouped by mineral class (i.e.: Carbonates, Oxides, Silicates) and at least 3 classes must be represented. The member must use one standard display box (see #1). The specimens must be labeled with the number of the specimen, date collected, name of specimen, county where collected and chemical composition (ie: CaCO₃ for calcite) if known.

Class 5206 Paleontology. Display a minimum of 15 fossil specimens collected by the participant in Kansas, at least 5 of which have been collected during the current 4-H year. The fossils are to be grouped by Phylum and Class, and at least 3 phyla must be represented (Brachiopoda, Chordata, Mollusca, etc.) The member must use one standard display box (see #1). The specimens must be labeled with the number of the specimen; date collected; county where collected; formation, member, or source; phylum, class, and genus or part; and geologic age (Cretaceous, Permian, Pennsylvanian, etc.) See #5 for additional fossil labeling expectations.

Class 5207 Petrology. Display a minimum of 15 rock specimens collected in Kansas, at least 5 of which have been collected during the current 4-H year. Rocks are to be grouped by the 3 rock classes (Sedimentary, Igneous, and Metamorphic). You must display at least one specimen from each of the three classes. The specimens must fit in one standard display box. Specimen labels must include a specimen number, the date collected, name of specimen, and the county where collected. All rocks must be identified by the formation and member name (Examples: Fort Hays Limestone, Member of the Niobrara Chalk Formation) or source (Examples: Rocky Mountain Outwash, glacial till).

DIVISION 24
LAPIDARY
Pre-entries Required

Exhibitors are required to participate in consultative judging in person. For more information see “General Rules” rule #6.

Rules & Resources for exhibiting can be found on the Kansas 4-H Geology project page, on the Kansas State Fair website at www.kansasstatefair.com or contact the Sumner County Extension Office for details.

Class 5300 Lapidary. Display at least 5 varieties of polished (tumbled) specimens and 5 varieties of unpolished specimens that have not yet received lapidary treatment. These do not have to be an example of “before and after”, nor do they have to be self-collected. Locales must be identified. Only those exhibiting lapidary at the Fair for the first time may exhibit in this class.

Class 5301 Lapidary. Display before-and-after examples of at least 3 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. There is no requirement that the 4-H member collects any of these. Locales must be identified. Lapidary work should be done during the current 4-H year.

Class 5302 Lapidary. Display before-and-after examples of at least 6 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. At least two varieties should be collected from the native site by the 4-H member, at least one of which comes from Kansas. Locales must be identified. Lapidary work on at least three varieties should be done during the current 4-H year.

Class 5303 Lapidary. Display before-and-after examples of at least 9 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. At least three varieties should be collected from the native site by the 4-H member, at least two of which comes from Kansas. Locales must be identified. Lapidary work on at least three varieties should be done during the current 4-H year.

Class 5304 Lapidary. Exhibit at least 6 specimens that have not previously been exhibited, which have received lapidary treatment. Lapidary treatment may consist of polishing, and end, face, or flat lapping. Specimens must represent at least 3 different varieties and include at least three cabochons of any size or shape, only one of which may be free-formed. A cabochon is a style of cutting in which the top of the stone forms a domed or curved convex surface. Three of the specimens must be mounted into jewelry findings.

Special lapidary exhibits should be entered in class **5304**. Please note that each member is limited to one entry in this class

DIVISION 25
AG MECHANICS WELDING
Pre-entries Required

This project allows youth to explore areas of ag mechanics, welding, and metallurgy from repairing or repurposing existing items or fabricating new items. The intent is for this program start with foundational areas, some of which youth may already have, and allow them to continue to build on this knowledge becoming more experienced.

Exhibitors are required to participate in consultative judging in person. For more information see “General Rules” rule #6.

For more guidelines please contact the Extension Office or visit the state fair website at www.kansasstatefair.com

Introductory – Level 1 (about 1 - 3 years’ experience)

This level is designed for youth with little to no exposure in the project area so that they can gain an understanding of basic principles and methods in the given area.

Class 5550 Welding Display Board. A 3’ x 3’ display board with different pieces of metal attached illustrating different types of welds, each weld being labeled.

Intermediate Division (Ages 9-13)

This level is designed for youth with some experience in the project area allowing them to expand on common principles and methods in the given area.

Class 5560 Intermediate Welding Ag Repair. Repair of ag equipment with welding.

Class 5561 Intermediate Welding Ag Fabrication. Creation of new ag equipment with welding.

Class 5562 Intermediate Welding General Repair. Repair of non-ag equipment with welding.

Class 5563 Intermediate Welding General Fabrication. Creation of non-ag equipment with welding.

Class 5564 Intermediate Welding Artistic Fabrication. Creation of artistic or interpretive pieces with welding.

Class 5565 Intermediate Other Metalwork.

Class 5567 Intermediate Smithing. A design forged with at least two different formed elements (twists and spirals for example).

Senior Division (Ages 14 and older)

This level is designed for youth with vast experience in the project area allowing them to master common principles and methods and expand on advanced techniques in the 52-given area.

Class 5570 Senior Welding Ag Repair. Repair of ag equipment with welding.

Class 5571 Senior Welding Ag Fabrication. Creation of new ag equipment with welding.

Class 5572 Senior Welding General Repair. Repair of non-ag equipment with welding.

Class 5573 Senior Welding General Fabrication. Creation of non-ag equipment with welding.

Class 5574 Senior Welding Artistic Fabrication. Creation of artistic or interpretive pieces with welding.

Class 5575 Senior Other Metalwork.

Class 5577 Senior Smithing. A design forged with at least three different formed elements (twists, spirals and bulbs for example).

Educational Exhibit Rules

1. Educational display boards, posters and notebooks should be creative and showcase details about the knowledge learned in the project during the current 4-H year. Value is placed on youth who can demonstrate how their skills have increased while completing the project. Each exhibit will be judged on uniqueness, creativity, neatness, accuracy of material, knowledge gained, and content. An exhibit judging score sheet available at <http://astronomy.engtech4ks.com/>.
2. Follow copyright laws, citing all sources of information in a standard notation Sources of information must be cited on the front of your exhibit, including all posters and educational display boards.
3. Posters are limited to commercial 3' X 4' tri-fold display boards
4. Educational Project notebooks must be organized in a 3-ring binder.
5. Exhibits should possess the following qualities (in no particular order):
 - a. A central theme
 - b. What you want others to learn
 - c. Be designed and constructed in a manner befitting the exhibit
 - d. Be something you are interested in

Class 5479 Senior Ag Mechanics/Welding Educational Notebook

Class 5480 Senior Ag Mechanics/Welding Educational Poster

DIVISION 26 **BUILDING BLOCK ENGINEERING** Pre-entries Required

The STEM BBE exhibit area focuses on using architectural blocks (“Legos”) to construct dioramas. This project allows youth to explore architectural design in a three-dimensional space. The intent for this program is to allow youth to explore the construct and gain knowledge through interaction with a common toy.

Exhibitors are required to participate in consultative judging in person. For more information see “General Rules” rule #6.

For more guidelines, please contact the Extension Office or visit the state fair website at www.kansasstatefair.com

1. Total exhibit dimensions may not exceed 2 feet high, by 2 feet wide, by 2 feet deep.
2. The minimum exhibit dimensions must be at least 6 inches wide and deep.
3. All exhibits are required to be placed in a sturdy see through enclosure with a top, bottom, and 4 sides. A clear tub turned upside down with the exhibit placed on the lid would be an

acceptable enclosure. It may be desirable to place a cutting board or other hard surface between the lid and base plate of the exhibit to make it sturdy. This is to keep exhibit components from being “scattered to parts unknown” at the fair. The outer dimensions of the enclosure do not count towards the total exhibit dimensions but should not be excessive.

4. All components used in construction should be dust free, clean, free of chips, scuffs, or cracks. Gaps or cracks should not be visible between assembled blocks unless they fit with the story, for example an earthquake.
5. The primary building component should be interlocking blocks, commonly referred to by the brand name of Lego®.
6. Other components can be integrated into dioramas to illustrate architectural aspects that may be difficult to convey with traditional interlocking blocks, for example marbles for small round objects.
7. Dioramas should be suitably complex and have multiple elements, for example, a camp site that has a log cabin, a tree fort, and a car.
8. All dioramas should have a story that describes what is happening in the diorama; this can be as simple (the nursery rhyme “Jack and Jill” for example) or complex as needed to explain to someone looking at the exhibit what is happening.
9. Vehicles that are intended to stay in a single place should be affixed to base plates with sticky tack, hot glue, or other method
10. Mechanical enhancements or motion elements that add motion to the diorama are acceptable and encouraged. For example, marry-go-rounds, doors, 54 elevators, gears, marbles going down a channel, flapping wings, animatronics, etc. If included judges should be able to use them and instructions should be provided for operation either in the story or on a separate page. Interlocking brick creations that fall into a “creation” class can be any creation made by a 4-H. It could range from a homemade plane to a Star Wars intergalactic space vehicle.

Junior (ages 7-8)

***Class 52** Interlocking brick diorama built from scratch

***Class 53** Interlocking brick diorama built from kit

Intermediate (ages 9-13)

Class 5710 Interlocking brick diorama built from scratch

***Class 54** Interlocking brick diorama built from kit

Senior (ages 14 and up)

Class 5711 Advanced Interlocking brick diorama built from scratch

***Class 55** Advanced interlocking brick diorama built from kit

DIVISION 27
VISUAL ARTS
 Pre-entries Required

Things to Learn/Do in the Project

- Learn drawing, painting and printing techniques in paint, pencil, chalk, charcoal or mixed media
- Learn sculpture techniques
- Make something from wood, leather, paper or clay
- Weave a basket or wall hanging
- Etch glass or metal or make jewelry and wire sculptures
- Do mosaics or nature crafts
- Discover new mediums

1. **Each exhibitor may make four entries per class in Arts & Crafts.**
2. Paintings & drawings should be framed/matted - prepared for hanging. Other items should be prepared for appropriate display.
3. State Fair Participation – One project per each State Fair category, that received a purple, will be selected by the Visual Arts judges to go onto the State Fair. 4-H members cannot have more than one project selected to move onto the State Fair. All projects made from kits will not be allowed to move onto the State Fair. A kit is defined as “any art project that comes pre-packaged or boxed as a “Kit” is not an allowed at the State Fair. Examples include paint by number, diamond art kits, string art, etc. Exception: Leather project kits, due to the nature of precut leather are allowed.”

4. Exhibitors are required to participate in consultative judging in person. For more information see "General Rules" rule #6.

Class 4501 Fine Arts: Oil, chalk, charcoal, dyes, pastels, pencil, ink, acrylic, or watercolor on canvas, canvas board, paper, wood, metal, or textiles, framed as a picture, prepared for hanging. Stretched canvas art on a wooden frame is considered prepared for hanging provided that frame has a hanger.

Class 4502 Clay and Ceramics: Any original item made of clay; may be fired or unfired, hand formed, or thrown on a wheel. Self-hardening, fire/oven-cured, and/or cornstarch clays are acceptable. Items can include, but are not limited to, clay statues, bowls, etc.

Class 4503 Leather and Jewelry: Any leather stamping, carving, tooling, lacing, or stitching piece or any jewelry piece made from any medium are acceptable exhibits.

Class 4504 Three Dimensional: The piece must be observable on at least three sides and should be either free-standing or prepared to be hung. Craft and pre-formed or assembled projects are not acceptable.

Class 4505 General Crafts: This category incorporates miscellaneous pieces that do not correspond to the four, above-mentioned categories.

***Class 74** Barn Quilts [\(This class is for Individual entries, for Club entries see Division 9\)](#)

***Class 75** Porch Signs [\(This class is for Individual entries, for Club entries see Division 9\)](#)

***No State Fair Class**

DIVISION 28
VETERINARY SCIENCE
Pre-entries Required

The purpose of the 4-H Veterinary Science project is to provide a way for young people who care for animals and may want to follow a career in veterinary medicine to explore the topic. In this project, members will learn about animal health, behavior, and visit with veterinarians. 4-H member in the Veterinary Science project may develop an exhibit to demonstrate the knowledge and skills learned about a common health problem in animals, a veterinary science principle or public health/zoonotic diseases.

Rules

- 1.) A Veterinary Science exhibit may consist of a poster, notebook or project display. The exhibit may represent material from any of the Veterinary Science projects including entry level exhibits from Unit I.
- 2.) If photographs are to be part of the exhibit, remember that they will be viewed by the public. Make sure that the photographs are in good taste and will not be offensive to anyone. Graphic photographs of excessive bleeding, trauma or painful procedures are not appropriate. For exhibits related to veterinary surgical procedures, aseptic techniques need to be shown, for example, use of drapes, use of sterile procedures, wearing of gloves and other appropriate veterinary medical practices.
- 3.) First-Aid Kits: Because of public safety concerns and risk of theft of first-aid kit contents (veterinary drugs/equipment) with perceived potential for drug abuse, animal first aid kits containing any drugs or medications will be immediately disqualified and not displayed. First Aid kits wishing to include

medication information should instead utilize written descriptions, photographs, drawings, computer generated print-outs or empty packaging of pharmaceuticals.

- 4.) Veterinary Science Posters - This exhibit presents the viewer with a design that is simple and direct, unlike a display that usually presents more information. A poster should not exceed 22" x 30" and may be either vertical or horizontal.
- 5.) Veterinary Science Displays - A display may include but is not limited to: a 3- dimensional exhibit, a scale model, the actual product (for example: skeleton; teeth; samples of leather, fur, or dried skin damaged by disease or parasites) or a notebook. A display is not a poster. A display may be mounted on poster board not to exceed 22" x 28" or on 1/4" plywood or equivalent that does not exceed 24" high or 32" wide or in a three-ring binder or another bound notebook format.
- 6.) Veterinary Science Notebooks: Individual entries are to be place for display in a three-ring notebook for competition. Notebooks may not be larger than 8 1/2' x 11".
- 7.) Neither the Kansas State Fair nor the department of 4-H Youth Development, KSRE are liable for the loss or damage of any personal property included as part of your poster, display or notebook.
- 8.) Name, county/district, age and year in project should be on the front of the poster, display or notebook.
- 9.) Appropriate topics include: Maintaining Health Specific disease information Photographic display of normal and abnormal characteristics Animal health or safety Public health or safety Proper animal management to ensure food safety and quality Efficient and safe livestock working facilities A topic of the exhibitor's choosing related to veterinary medicine or veterinary science.
- 10.) Because these are science displays, all references and information must be properly cited. Proper sources include but are not limited to: Professional journals and publications, professional AVMA accredited websites, interviews with veterinarians and excerpts from Veterinary Educational Literature. Plagiarism will result in a disqualification. Please study your topic and present the information to your audience in your own words.

Class 7000 4-H Veterinary Science Notebook

Class 7001 4-H Veterinary Science Poster

Class 7002 4-H Veterinary Science Project Display

***No State Fair Class**

Livestock General Rules

1. Number of animals entered per species will be as follows:
 Beef: 2 Market and 2 Breeding Sheep: 2 Market and 2 Breeding
 Swine: 2 Market and 2 Breeding Goats: 2 Market and 2 Breeding
 Dairy Goats: 2 of any combination
2. 4-H Members must provide suitable care, feed, and equipment for livestock exhibits. Premium money will be forfeited if animal is not satisfactorily cared for.
3. Exhibitors with two entries in one class may have another 4-H member show one entry, with approval of the division superintendent.
4. All market animals' tag numbers must be listed on the official weigh-in sheet to be eligible to show.
5. Animals will be inspected at entry by Superintendent and/or vet. Animals deemed unfit will be denied entry to fair and fairgrounds.
6. If there are less than 5 animals in a division, then no Grand or Reserve Champion prizes will be awarded. Grand & Reserve Champions will only receive rosettes.
7. Exhibitor must own and tag the following animals by the dates listed to be eligible to show.
 - a. Market Beef by **May 1**, of current year
 - b. Bucket Calf, Market Swine, Market Lambs, and Meat Goats by **June 15**, of current year. *If the 15th falls on a weekend, then tagging/nomination paperwork will be due the Friday before by 5:00pm.*
8. Exhibitors showing breeding animals must prove ownership by tagging or registration papers to be eligible to show.
9. GROOMING: Each Exhibitor must groom his or her own animal and may use only the assistance of an immediate family member (mother, father, legal guardian, brother or sister), another 4-H or FFA member who is an exhibitor at the fair, FFA Advisor or 4-H Project Leader. This rule will be strictly enforced and any exhibitor violating it will have their animal in question eliminated from competition. Anyone wishing to report unauthorized people grooming animals must sign a complaint with a Sumner County Extension Agent, that includes names of the owner, animal tag number, time and date of the observation. A committee appointed by the Executive Board will take action.
 - A. Sheep/Goat Divisions: All market lambs, commercial ewes and goats must be "slick shorn, above the knee and hock joints including the head, before arrival on the Fair grounds. A maximum of 0.2 (two tenths) inch of wool is permitted on market lambs and commercial ewes. A maximum of 0.4 (four tenths) inch of hair is permitted on market goats. Hair on the tail switch may be left on goats. There will be no shearing of market lambs, commercial ewes or goats allowed on any part of the grounds after arrival.
 - B. Anyone found in violation will have his or her electric clippers temporarily confiscated and that animal will be disqualified. Touch-up clipping with scissors or hand shears will be allowed.
 - C. **No artificial coloring/use of adhesives is allowed on any livestock species.**
10. A Grand & Reserve Champion will be selected in every species.
11. Premise ID tags (scrapie tags) must be in sheep and goats. If not tagged then they will not be allowed to remain at the fairgrounds.

**DIVISION 29
SHOWMANSHIP**

1. Every member showing livestock is encouraged to participate in the showmanship contest.
2. Showmanship classes may be divided at the discretion of the Fair Superintendent the day of the competition.
3. All animals shown in this division must be entered and shown in their respective classes at the Fair.
4. Showmanship will be judged as the first class in each division.
5. Animals must be owned by 4-H member showing in this division. The 4-Her must do their own showing.

**DIVISION 30
BUCKET CALF**
Pre-entries Required

1. Those that have had their 13th birthday before January 1 of current year, would be ineligible.
2. Must meet project requirements
3. **Calf must be born between January 1 & June 1 of current year.**
4. **Exhibitor must own and tag all animals by June 15, current year, to be eligible to show. (If the 15th falls on a weekend, then tagging/nomination paperwork will be due the Friday before by 5:00pm).**
5. Judging will be based on the following:
 - a. -Knowledge about the animal (age, breed, feeding practices, etc.)
 - b. -Ability to handle and control the animal.
 - c. -Health and condition of animal, (health certificate not required)
 - d. -Grooming of the animal - **No** clipping allowed. If clipping is done, 4-Her will be disqualified and asked to leave the ring.
 - e. **7-9 year olds:** No show sticks, combs or brushes allowed in the ring during the show.
 - f. **10-13 year olds:** No show sticks, combs, or brushes allowed in the ring during the show.

*Class 375 4-Hers, 7-9 years of age

*Class 376 4-Hers, 10-13 years of age

*Class 377 2nd Year Bucket Calf (not eligible for any other class)

**DIVISION 31
DAIRY BEEF**
Pre-entries Required

1. Exhibitor must own all animals by **May 1**, current year, to be eligible to show.
2. Showmanship, Division 29, is open to all dairy exhibitors.
3. Champion & Reserve Champion will be selected for each breed if quality merits.

*H-Holstein; *G-Guernsey; *J-Jersey; *A-Ayrshire; *MS-Milking Shorthorn

CLASSES:

*Class 378 Heifer Calf - born after July 1, 2025

*Class 379 Yearling Heifer - born between July 1, 2024 and June 30, 2025

*Class 379 Cow - born before July 1, 2024

DIVISION 32
BEEF
Pre-entries Required

See Livestock General Rules for health requirements.

2. Showmanship, Division 29, is open to all beef exhibitors.

MARKET STEERS

1. Exhibitor must own and tag all animals by **May 1**, current year, to be eligible to show.
2. Suggested minimum weight for 4-H Fair is 1100 lbs, but lighter weights may be shown.
3. All market steers will be shown by weight. Steers will be weighed, and classes divided to make 10 or less within any particular class. Top and lower weights will be used to determine the break in class weight.
4. The Steer Show is a "no fit" show. "No Fit", at the 4-H Fair, is defined as using no adhesive, glue, paint or powder products.
5. Grand and Reserve Grand Champion Steers will be selected overall.

*Class 380 Market Steers

BREEDING BEEF

1. Exhibitor must own all animals by **May 1**, current year, to be eligible to show.
2. Exhibitor must prove ownership by tagging or registration papers to be eligible to show.
3. The Heifer Show is a "no fit" show. "No Fit", at the 4-H Fair is defined as using no adhesive, glue, paint or powder products.
4. Champion and Reserve Champion will be selected for each breed if quality merits.
5. Breed classes will be determined by superintendent.
*A-ANGUS; *H-HEREFORD; *SI-SIMMENTAL; *D-CROSSBREED & OTHER;
*S-SHORTHORN; *ROB - REGISTERED OTHER BREEDS

CLASSES:

- *Class 381 Senior or winter heifer calves - calved between Sept. 1 and Dec. 31 of previous year.
- *Class 382 Summer yearling heifer calves - calved between May 1 and Aug. 31 of previous year.
- *Class 383 Junior and spring yearling heifers - calved between Jan. 1 and Apr. 30 of previous year.
- *Class 384 Cow Class - has calved before May 1, current year.
- *Class 385 Cow-Calf - Cow must be halter broke. No age limit on calf, either sex.

DIVISION 33
SWINE
Pre-entries Required

1. Showmanship, Division 29, is open to all swine exhibitors.

MARKET SWINE

1. Exhibitor must own and tag all animals by **June 15**, current year, to be eligible to show. *(If the 15th falls on a weekend, then tagging/nomination paperwork will be due the Friday before by 5:00pm).*
2. Suggested minimum weight for 4-H Fair is 230 lbs. but lighter weight animals may be shown.
3. All market pigs (barrow and gilts) will be entered in one class.
4. Market animals will be weighed at the 4-H Fair. The superintendent may divide the animals into classes with not more than 10 per class.

5. Grand and Reserve Grand Champion will be selected if quality merits.

Class 370 Market Swine

BREEDING GILTS

1. Exhibitor must own all animals by **June 15**, current year, to be eligible to show. *(If the 15th falls on a weekend, then tagging/nomination paperwork will be due the Friday before by 5:00pm).*
 2. Exhibitor must prove ownership by tagging or registration papers to be eligible to show.
- *Class 475 Purebred Breeding Gilts
*Class 476 Crossbred Breeding Gilts

DIVISION 34

GOATS

Pre-entries Required

1. Exhibitor must own and tag all animals by **June 15**, current year, to be eligible to show. *(If the 15th falls on a weekend, then tagging/nomination paperwork will be due the Friday before by 5:00pm).*
2. A goat cannot be shown in both meat and dairy classes; one division per animal.
3. Showmanship, Division 29, is open to all goat exhibitors.
4. **NO BILLY GOATS WILL BE ALLOWED!**
5. Goat fitting stands will be allowed to dry animals only. They will be set up outside of the barn at discretion of superintendent.
6. All goats must have Premise ID tags (scrapie tags). If not, then they will not be allowed to remain at the Fairgrounds.

DAIRY DOES

1. A limit of two (2) dairy goats per exhibitor may be entered. This can be 2 dairy does, 2 dairy wethers, or 1 of each.
2. Exhibitor must own all animals by **June 15th**, current year, to be eligible to show.
3. In determining the age class in which the animal is to be shown, the cut-off date will be August 1, current year.
4. Exhibitor should be neatly and appropriately attired, preferably in white, when showing their animals in the ring.
5. Goats without ears may wear a collar with required tags attached. They are still required to be tagged and have them "attached" at the show. Tags should not be attached to show collars or halters as they are moved from animals to animal.
6. All animals will be shown by breed if possible, otherwise shown by age.
7. Does will have 3 classes based on age as of August 1st of the current year:
 - A. Young Does: under 11 months of age
 - B. Yearling Does: 12-23 months
 - C. Aged Does: 24 months plus

DAIRY WETHERS

1. Exhibitor must own and tag all animals by **June 15**, current year, to be eligible to show. *(If the 15th falls on a weekend, then tagging/nomination paperwork will be due the Friday before by 5:00pm).*
2. A limit of two (2) dairy goats per exhibitor may be entered. This can be 2 dairy does, 2 dairy wethers, or 1 of each.
3. Exhibitor should be neatly and appropriately attired, preferably in white, when showing their animals in the ring.
4. Horns do not need to be tipped. Halters and show collars will be allowed in show ring;

5. Crossbred wethers must be declared as a meat goat or dairy wether, they cannot be shown in both classes. Additionally, animals in the dairy wether class need to physically appear to be heavily dairy influenced. Meat goats with small percentage of dairy genetics who physically appear as a meat goat will be shown in the meat goat category. Physical appearance can be determined by factors including, but not limited to, frame size, coloring, and ear shape & design.
 6. Goats without ears may wear a collar with required tags attached. They are still required to be tagged and have them "attached" at the show. Tags should not be attached to show collars or halters as they are moved from animals to animal.
 7. Shearing: All goats must be "slick shorn" with an equal amount of hair across the body from head to tail before arrival on the grounds. A maximum of 0.4 (four tenths) inch of hair is permitted. Hair on the tail switch is permitted. Shearing is not allowed on any part of the grounds after arrival. Anyone found in violation will have his or her electric clippers temporarily confiscated, and that animal will be disqualified. Touch-up clipping with scissors or hand shears will be allowed.
Grooming: Artificial coloring, paint, adhesive, or powder will not be permitted for use on wethers during the entire show.
 8. Dairy Wethers will not be shown for overall Grand & Reserve Market Meat Goat. A Grand & Reserve Dairy Wether
- *Class 575** Dairy Wethers

MEAT GOATS

1. Exhibitor must own and tag all animals by **June 15**, current year, to be eligible to show. ***(If the 15th falls on a weekend, then tagging/nomination paperwork will be due the Friday before by 5:00pm).***
2. Minimum suggested weight for 4-H Fair is 50 lbs (lighter weight animals may be shown). A limit of two (2) goats may be entered per exhibitor.
3. Market meat goat classes are open to wether or doe kids of any meat or cross meat goats with milk teeth or showing no breaking or eruption of either of two permanent front teeth.
4. All market goats will be shown by weight. Goats will be divided equally into classes as determined by the Goat Division Superintendent.
5. Shearing: All goats must be "slick shorn" with an equal amount of hair above the knee and hock before arrival on the grounds. A maximum of 0.4 (four tenths) inch of hair is permitted. Hair on the tail switch is permitted. Shearing is not allowed on any part of the grounds after arrival. Anyone found in violation will have his or her electric clippers temporarily confiscated, and that animal will be disqualified. Touch-up clipping with scissors or hand shears will be allowed.
Grooming: Artificial coloring, paint, adhesive, or powder will not be permitted for use on wethers during the entire show.
6. Horns do not need to be tipped.
7. Halters and show collars will be allowed in show ring.
8. Exhibitors may lift legs off the ground to set them into position, but all four feet of the animal must be on the ground during bracing and judges' examination. Bracing is allowed when appropriate in the show ring.
 - a. Example of appropriate time to brace; when judge views animal for side and rear profile. Also, when judge comes to gauge animal muscle by feeling down the top side (loin).
 - b. Example of inappropriate time to brace; when judge walks in front of the animal between the it and the edge of the show arena to view the animal's front.

9. Meat goats cannot show in Dairy Goat, Breeding Meat Goat, or Dairy Wether Classes.
*Class 576 Market Meat Goats

BREEDING MEAT GOATS

1. Exhibitor must own all animals by **June 15**, current year, to be eligible to show. *(If the 15th falls on a weekend, then tagging/nomination paperwork will be due the Friday before by 5:00pm).*
2. Exhibitor must prove ownership by tagging or registration papers to be eligible to show.
3. Horns do not need to be tipped.
4. Halters and show collars will be allowed in show ring; exhibitors will not lift front legs off ground during judging.
5. Breeding meat goats cannot show in the Dairy Goat or Market Meat Goat Class.
6. Does do not need to be slick shorn.
7. Grooming: Artificial coloring, paint, adhesive, or powder will not be permitted for use on does during the entire show.

CLASSES:

- *Class 577 Spring Doe born after Jan. 1, 2026
*Class 578 Fall Doe born between Sept. 1 and Dec 31, 2025
*Class 579 Yearling Doe born between Sept 1, 2024 and Aug 31, 2025
*Class 580 Aged Does born before Sept 1, 2024

DIVISION 35 SHEEP Pre-entries Required

1. Showmanship, Division 29, is open to all sheep exhibitors.
2. Sheep fitting stands will be allowed to dry animals only. They will be set up outside of the barn at discretion of superintendent.
3. All Sheep must have Premise ID tags (scrapie tags). If not tagged they will not be allowed to remain at the Fairgrounds.
10. Halters and show collars will be allowed in show ring. Exhibitors may lift legs off the ground to set them into position, but all four feet of the animal must be on the ground during bracing and judges' examination. Bracing is allowed when appropriate in the show ring.
 - a. Example of appropriate time to brace; when judge views animal for side and rear profile. Also, when judge comes to gauge animal muscle by feeling down the top side (loin).
 - b. Example of inappropriate time to brace; when judge walks in front of the animal between the it and the edge of the show arena to view the animal's front

MARKET LAMBS

1. Suggested minimum weight for 4-H Fair is 90 lbs (lighter weight animals may be shown)
2. Exhibitor must own and tag all animals by **June 15**, current year, to be eligible to show. *(If the 15th falls on a weekend, then tagging/nomination paperwork will be due the Friday before by 5:00pm).*

3. All market lambs will be shown by weight. Lambs will be weighed, and classes divided to make classes of 10 or less.
4. All market lambs must be shown in short (1/4" or less) fleece.
5. Ewe lambs shown in market class may not be shown in breeding class.
6. All market lambs and commercial ewes must be "slick shorn", above the knee and hock joints, including the head, before arrival on the grounds. A maximum of 0.2 (two tenths) inch of wool is permitted. There will be no shearing of market lambs or commercial ewes allowed on any part of the grounds after arrival. Anyone found in violation will have his or her electric clippers temporarily confiscated, and that animal will be disqualified. Touch-up clippings with scissors or hand shears will be allowed. No artificial coloring or use of adhesives is allowed on market lambs.
8. Grand Champion and Reserve Grand Champion Lambs will be selected.

***Class 675** Market Lamb

BREEDING SHEEP

1. Exhibitor must own all animals by **June 15**, current year, to be eligible to show. *(If the 15th falls on a weekend, then tagging/nomination paperwork will be due the Friday before by 5:00pm).*
2. Exhibitor must prove ownership by tagging or registration papers to be eligible to show.
3. Champion and Reserve Champion will be selected for each breed if quality merits.
4. Breed classes will be determined by superintendents.

*H-HAMPSHIRE; *SU-SUFFOLK; *D-DORSET; *S-SOUTHDOWN; *R-RAMBOUILLET;
